THE CHRISTMAS BOOK 2013

GIVING

NEIMAN MARCUS IS
THE HEART
OF GIVING

The tradition of giving all you've got is alive and well. It emanates from the legendary Neiman Marcus into the world.

And creates worlds of its own. Of giving. Of giving back. And of ALWAYS following your HEART.

HEARTFEEL GIFTS

*Sure, the thought counts,
but nothing beats getting
her the same exact thing
she'd choose for herself.
That's why you rely on
us. Because we've
got gift-giving
down to an
art.*

A woman with dark, curly hair is lying on her back on a large, red, heart-shaped pillow on a lush green lawn. She is wearing a magenta, short-sleeved, form-fitting dress with a subtle seam at the waist and a small slit at the hem. She is also wearing dark, pointed-toe pumps. Her eyes are closed, and she has a serene expression. In the upper left corner, a portion of another red, ruffled fabric is visible. The background consists of a well-maintained lawn and a dense green hedge on the right side. The lighting is bright and natural, suggesting a sunny day.

FANTASY

Stanley Marcus once said, “Art enhances the quality of people’s lives.” His philosophy lives on with the introduction of **The Heart** of Neiman Marcus a foundation that brings enriching art experiences to local youth in communities nationwide. Neiman Marcus is following its heart—and its long legacy of always giving back—by donating a portion of the proceeds from each Fantasy Gift purchase to this great cause.

FANTASY GIFTS

FANCY FLYING

Years of apprenticeship and study are behind you. Your raptor is trained, and you have received the ultimate title of Master Falconer. Now, your new Bespoke Global Falconry Companion is loaded and ready for its inaugural outing.

Circling the field for the perfect spot to set up, you consider yourself lucky to take part in an ancient sport once reserved for nobles of Medieval Europe, the Middle East, and the Mongolian Empire. Little has changed in the game thousands of years later—there are no firearms and no outside weapons. It still all comes down to a relationship between the falconer and bird.

A prime locale has been found, and you and your fellow hunters set up camp. Gazing upon your portable case and matching custom trunk, you marvel at the 20-karat gold-plated perch, hand-carved stands, leather perch scale, and hand-sewn glove, anklet, and exotic-skin hoods by Ken Hooke, the world's preeminent falconry hood maker. A day in the countryside has never been so luxuriously appointed! Next, the furniture: Chatwin chairs and a foldout table by Richard Wrightman, the foremost designer of bespoke campaign furniture (the King of Jordan is a client). You unfold the beautiful, handmade backgammon board from Alexandra Llewellyn, pour yourself a drink from one of the lead crystal decanters, and select the cigar you'll enjoy, using your matching cigar cutter by David Linley. The birds are ready, and your gauntlet is in place. Time to hunt!

With every Bespoke Global Falconry Companion purchase, Neiman Marcus will donate \$1,500 to The Heart of Neiman Marcus Foundation. For details, visit NeimanMarcus.com/FantasyFalconryCompanion or call 1-877-9NM-GIFT.

LEAN MACHINE

Morning exercise will become far less routine, thanks to your new Ciclotte. A blend of amazing form and state-of-the-art function, this modern spin on the exercise bicycle will ensure it never gets relegated to the basement.

Approaching the machine, you admire its sleek, sculptural appearance. The large wheel is a nod to the unicycles of the late 1800s, but that's where the design-reminiscing ends. Void of the superfluous bells and whistles that characterize most of today's gym equipment, this piece is a study in the power—and beauty—of simplicity. Good looks aside, its dynamic design is rivaled only by its effortless performance. Sitting astride your cycle, you adjust the angle of the carbon-fiber handles, choose from one of 12 levels of resistance, engage the pedals, and ride, ride, ride your way to a fitter, healthier you.

With every Ciclotte purchase, Neiman Marcus will donate \$1,000 to The Heart of Neiman Marcus. For details, visit NeimanMarcus/FantasyCiclotte or call 1-877-9NM-GIFT.

ROUGHING IT

Every extraordinary gem has a history, but rare is the opportunity to trace its provenance. As the owner of this 25-carat rough Forevermark® diamond, you'll travel deep into the heart of Africa to discover where your stone began its journey more than one billion years ago.

This once-in-a-lifetime adventure starts with a trip to the De Beers headquarters in London. Once there, you'll receive your exceptional diamond in its rough and uncut form, name your diamond, learn about the unique inscription it will receive, and meet the master craftsman who will hand-cut and polish it to perfection.

A private tour of The Crown Jewels and dinner with De Beers CEO Philippe Mellier and Forevermark CEO Stephen Lussier in the Tower of London follow. Your journey continues on a vessel off Namibia's coast, where your diamond was discovered deep within the ocean floor. You'll then explore rough-diamond sorting houses and a children's community project, where the local population benefits from Forevermark's responsible sourcing of diamonds.

Upon returning to the United States, you'll meet with New York jewelry designer Maria Canale to design the ring that will exhibit your exceptional diamond.

With the purchase of the Forevermark Ultimate Diamond Experience, Neiman Marcus will donate \$10,000 to The Heart of Neiman Marcus Foundation. For details, visit NeimanMarcus.com/FantasyDiamond or call 1-877-9NM-GIFT.

The Glass House and its bucolic surroundings are yours to explore upon arrival. Get up-close-and-personal access to the life and style of one of the twentieth century's most revered visionaries as you wander among the 14 architectural structures, study his world-class modern painting and sculpture collection, visit the private library, and stroll through the 49 acres of landscaped grounds.

As evening descends, your dinner guests begin to arrive. Up to ten of your nearest and dearest will join you at Philip Johnson's table for a locally sourced, multicourse culinary experience.

BORN TO RIDE

Like master motorcycle fabricator Indian Larry, you feel at your best on the back of a bike with the wind in your face. Astride his “Wild Child,” you’re practically one with the late chopper icon.

Handbuilt in Brooklyn, New York, for the Discovery Channel “Biker Build-Off” series, “Wild Child” is considered by many to be the pinnacle of Indian Larry’s artistic achievements. It features his signature dished tank, root beer metal flake paint, twisted down tube frame, and a truly unique engine with a shovelhead front cylinder, panhead rear, and jockey shift. An open belt drive is emblazoned with the “Wild Child” name. Brass accents and a handcarved leather seat in Indian Larry’s likeness complete the picture of this motorized masterpiece.

In 2003, Larry rode “Wild Child” from St. Louis, Missouri, to Sturgis, South Dakota, where Larry’s bike was named the winner of the Build-Off, one of three unprecedented consecutive wins for the chopper enthusiast. Upon learning of his triumph, Indian Larry famously declared, “There are no winners! There are no losers!” He shared his victory with fellow competitor Billy Lane, and then they both cut the trophy into pieces, signed the scraps, and handed them out to the crowd.

With the purchase of “Wild Child,” Neiman Marcus will donate \$7,000 to The Heart of Neiman Marcus Foundation. For details on “Wild Child” or to check out the “Question Everything” Indian Larry motorcycle also available for purchase, visit NeimanMarcus.com/FantasyWildChild or call 1-877-9NM- GIFT.

VENUS RISING

Resting on its perch, the bright figurine is void of any facial expression. But, look closer at the mirrored surface, and you'll see your own broad smile reflecting back—a trademark reaction from someone admiring a piece of work by Jeff Koons, an artist whose originality and charisma are unmatched.

Like Koons's other famous installations—*Bilbao's Puppy* and *Balloon Dog*—the limited-edition *Dom Pérignon's Balloon Venus* is playful, impactful, and signature Jeff Koons. Designed in celebration of the Dom Pérignon Rosé Vintage 2003, this incarnation is based on one of the latest works from Koons' Antiquity series called *Balloon Venus* (a modern riff on the *Venus of Willendorf*, which dates back to approximately 23,000 B.C.).

According to the artist, this version, made from polyurethane resin, represents the link between past, present, and future vintages of Dom Pérignon, as well as the continuity of the human experience symbolized by Venus.

With every *Dom Pérignon's Balloon Venus* purchase, Neiman Marcus is donating \$1,000 to The Heart of Neiman Marcus Foundation. For details, visit NeimanMarcus.com/FantasyVenus or call 1-877-9NM-GIFT.

LICENSE TO THRILL

The weather outside is delightful—the perfect impetus to take your Neiman Marcus 2014 Aston Martin Vanquish Volante, one of only 10 in the world, for an afternoon of motoring.

With its elegant profile and confident, sexy stance, this automotive masterpiece scores high marks on good looks alone. But there's more to this machine than meets the eye. Beneath its NM Exclusive Seychelles Blue exterior exists the culmination of a century of technological and engineering prowess.

Handbuilt in Gaydon, England, your Vanquish Volante sports a 100% carbon fiber shell—the first ever in Aston Martin's history—allowing for a much lighter car with greater torsional and structural rigidity, while enhancing safety, performance, and handling. A new, naturally aspirated 6.0-liter, V-12 engine produces some 565 horsepower and is tuned to deliver 457 pound-feet of torque, available and accessible throughout the rev range to deliver an enhanced performance feel. The engine sends the drive strictly to the rear wheels via a six-speed Touchtronic 2 automatic transmission, making acceleration smooth, steady, and, above all, responsive.

The forecast is promising. Perhaps a spontaneous trip to the shore is in order? You load the bespoke leather luggage into the trunk before sliding behind the wheel. With a turn of the ignition, the throaty engine roars to life. A three-mode Adaptive Damping System allows you to choose the character of your ride. Cruising down the coastline, you wonder what it would be like to put the reported 180-plus mph max speed to the test. Like a certain secret agent, you have a penchant for these beautiful British automobiles—and a taste for adventure.

With every purchase of the Neiman Marcus 2014 Aston Martin Vanquish Volante, Neiman Marcus will donate \$3,000 to The Heart of Neiman Marcus Foundation. Reserve this luxury car by calling 1-888-756-0775, beginning promptly at noon EDT on October 23, 2013. For details, visit NeimanMarcus.com/FantasyAstonMartin.
