This morning, Friday December 4, 2015, officials at Snook ISD – Secondary Campus were informed of possible inappropriate relations between a staff member and student(s). The safety and well-being of our students is always number one priority, and a cooperative investigation with local law enforcement was promptly initiated. The staff member has resigned and is prohibited from returning to the district.

We will continue to work closely with authorities as they determine whether any criminal action(s) have taken place, and continue administrative steps in accordance with Board policy. We assure you that the safety and well-being of all students at Snook ISD is our number one priority, and appreciate your continued faith and trust in us as we complete this investigation.

Sincerely,

Dr. Kenzie Bond

Principal, Snook Secondary Campus
