

Press Conference: March 17<sup>th</sup>, 2016 @ 2pm

Walker County Sheriff, Clint R. McRae

As you are aware the investigation concerning the murder of Caesar Vladimir Coronado and the disappearance of his 14 year old daughter Adriana Coronado is still intensely underway.

I would like to first thank all of the agencies who have been assisting with this investigation for the past 4 days- The Walker County District Attorney's Office, The National Center for Missing and Exploited Children, The FBI's Child Abduction Rapid Deployment Team and the Houston Police Department.

As of 8am this morning, Texas Equusearch has also joined forces in the investigation and is currently conducting a search of an undisclosed location in the Houston area.

Also, during the investigation we have managed to obtain surveillance video footage from several locations. Some of the footage will be released to the media today and the other footage is still currently being worked on.

We are hoping that someone observed something or can provide more information about the person seen running from the scene and will contact us with that information.

If anyone has information regarding this case, please call the Walker County Sheriff's Office at (936)435-2400.

The video we are about to play consist of a possible suspect vehicle and what appears to be a fairly heavy set Hispanic male running from the scene.
