SUBJECT:

Authorization for the Administration to Seek Qualification Statements for Professional Architectural Services Related to Blinn College District Capital Improvement Projects for a Three-Year Period

RECOMMENDATION:

That the Board authorize the administration to seek qualification statements for professional architectural services related to Blinn College District Capital Improvement Projects for a three-year period

RATIONALE:

The college administration is seeking qualification statements for professional architectural services to establish a pool of professional firms to provide design and consultant services on an as needed basis for a period of three years.

BUDGETARY CONSIDERATIONS:

The use of consulting services, under a professional service retainer contract will be limited to projects under \$ 3,000,000 and there would not be any guarantee of work assigned. Projects assigned under this authorization will be brought back to the Board for additional consideration and funding approvals.
