- Staffing

- All individuals are responsible for participation in this critically important function in addition to their other duties
- One SRD on each high school and middle school campus, including Wellborn Middle School next year

Safety and Security

- Performance Data for the past year
 - Spring of 2017 Safety and Security Audit
 - Results were very positive
 - Staff was well prepared
 - Drills were being performed and documented correctly
 - Transition from CSPD to BCSO has been fairly smooth, with some coordination needed
 - No significant security problems to note

Program Challenges/Needs

- Balancing safety/security with openness and warmth for our school campuses
- Keeping up with technology to give us the best communications with emergency responders
- Maintaining our focus on how important safety really is
