

PBK K-12

Renovations at Bryan Collegiate High School

Bryan Independent School District \ Bryan, TX

Proposed Improvements Include:

- 1) Install new wrought iron fencing between the 100 and 200 wings, 200 to 300 wings and between the 300 and 500 buildings. Include egress gates with panic hardware.
- 2) Construct a new security vestibule at the main entrance.
- 3) Install new finishes in the 200 wing corridor, including new flooring, ceilings, lighting, and paint to match areas renovated in Summer 2016.
- 4) Replace exposed fire sprinkler head with concealed heads.
