RANDOM STUDENT DRUG TESTING

Why test students?

- To insure the <u>health and safety</u> of all students in extracurricular activities and students who seek parking permit privileges.
- To serve as a <u>deterrent</u> to the use of illegal drugs, performance enhancing drugs, or alcohol
- To offer students credible means to resist peer
 pressure as it relates to illegal drugs and alcohol
- To provide a <u>source of information</u> to parents of any student who may be using illegal drugs, performance enhancing drugs, or alcohol.

Who could be tested?

- The CSISD program could randomly test grades 7-12 students involved in extracurricular activities or if they have a parking sticker at a high school.
- Parents could also <u>voluntarily ask</u> for their grades 7-12 children to be included in the group.
- A computer-generated random selection process would be used to select students for testing.

What's tested?

- The drug-testing laboratory could test a variety of substances such as:
 - □ Alcohol
 - □ Anabolic steroids
 - □ 5 Panel Drug Test
 - Marijuana
 - Cocaine
 - Amphetamines (including Ecstasy)
 - Opiates such as heroin
 - Phencyclidine (PCP)
 - □ Other: Barbiturates, Methadone, Synthetic Marijuana, etc.

Test Results Confidential

- Student privacy would be protected in accordance with all applicable laws and in no case turned over to law enforcement.
- Test results would be kept confidential and provided only to parents/guardians and designated administrators.

Launch

- Beginning with the 2018-19 schoolyear
 - □ Registration
 - □ Orientation
 - □ Consent
