Please let me know your address. I will do my best to have it in the service area. I am meeting with the City of CS today.

Ron

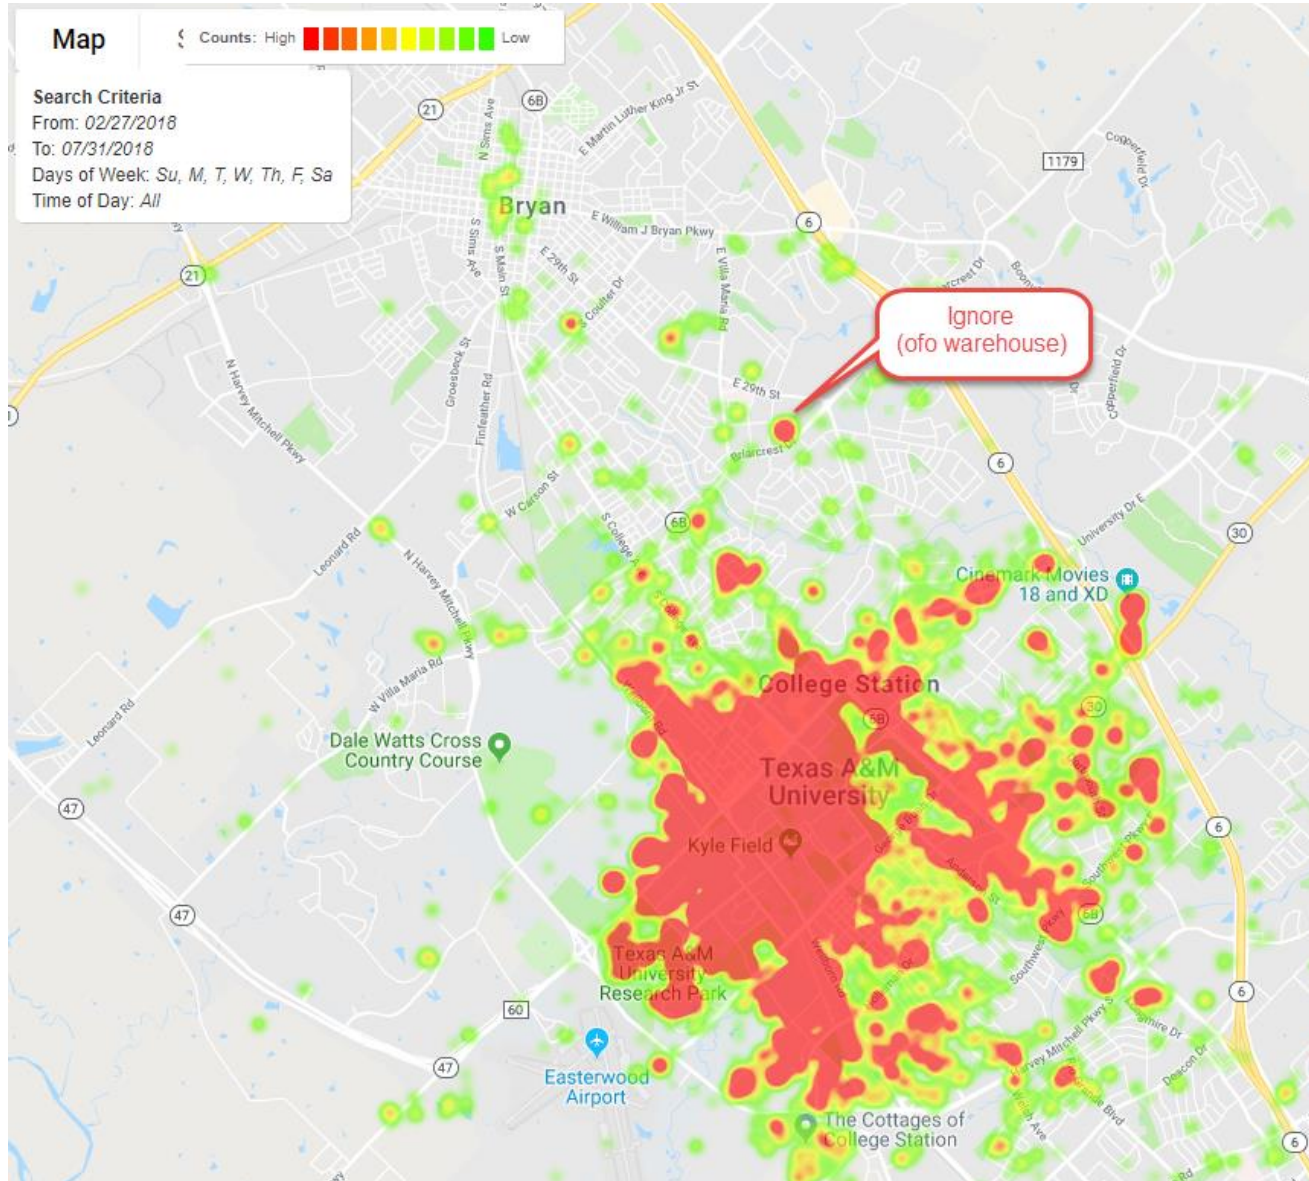

Hello,

I am planning to use the ofo bike and I would like to know how far I could go with the bike?

I am living 2.5 miles away from campus. Could I bring it here at the end of the day and then go back with it the next day?

I hope to hear from you soon.
Thanks
Mariana
