Presentation, possible action, and discussion on a professional services contract (Contract No. 18300627) with Binkley & Barfield in the amount of \$382,122.55 for the professional engineering services related to the design of the FM 2154 and Holleman Intersection Project.

### Relationship to Strategic Goals:

- Core Services and Infrastructure
- Improving Mobility

Recommendation(s): Staff recommends approval of the professional services contract.

Summary: The project includes improvements to the FM 2154 and Holleman intersection. FM 2154 will be elevated to reduce the grade difference with the railroad crossing. Holleman will be widened to accommodate dedicated right and left turn lanes in both directions. New railroad and traffic signals will also be placed with the project. COCS will manage design and TXDOT will manage bidding and construction.

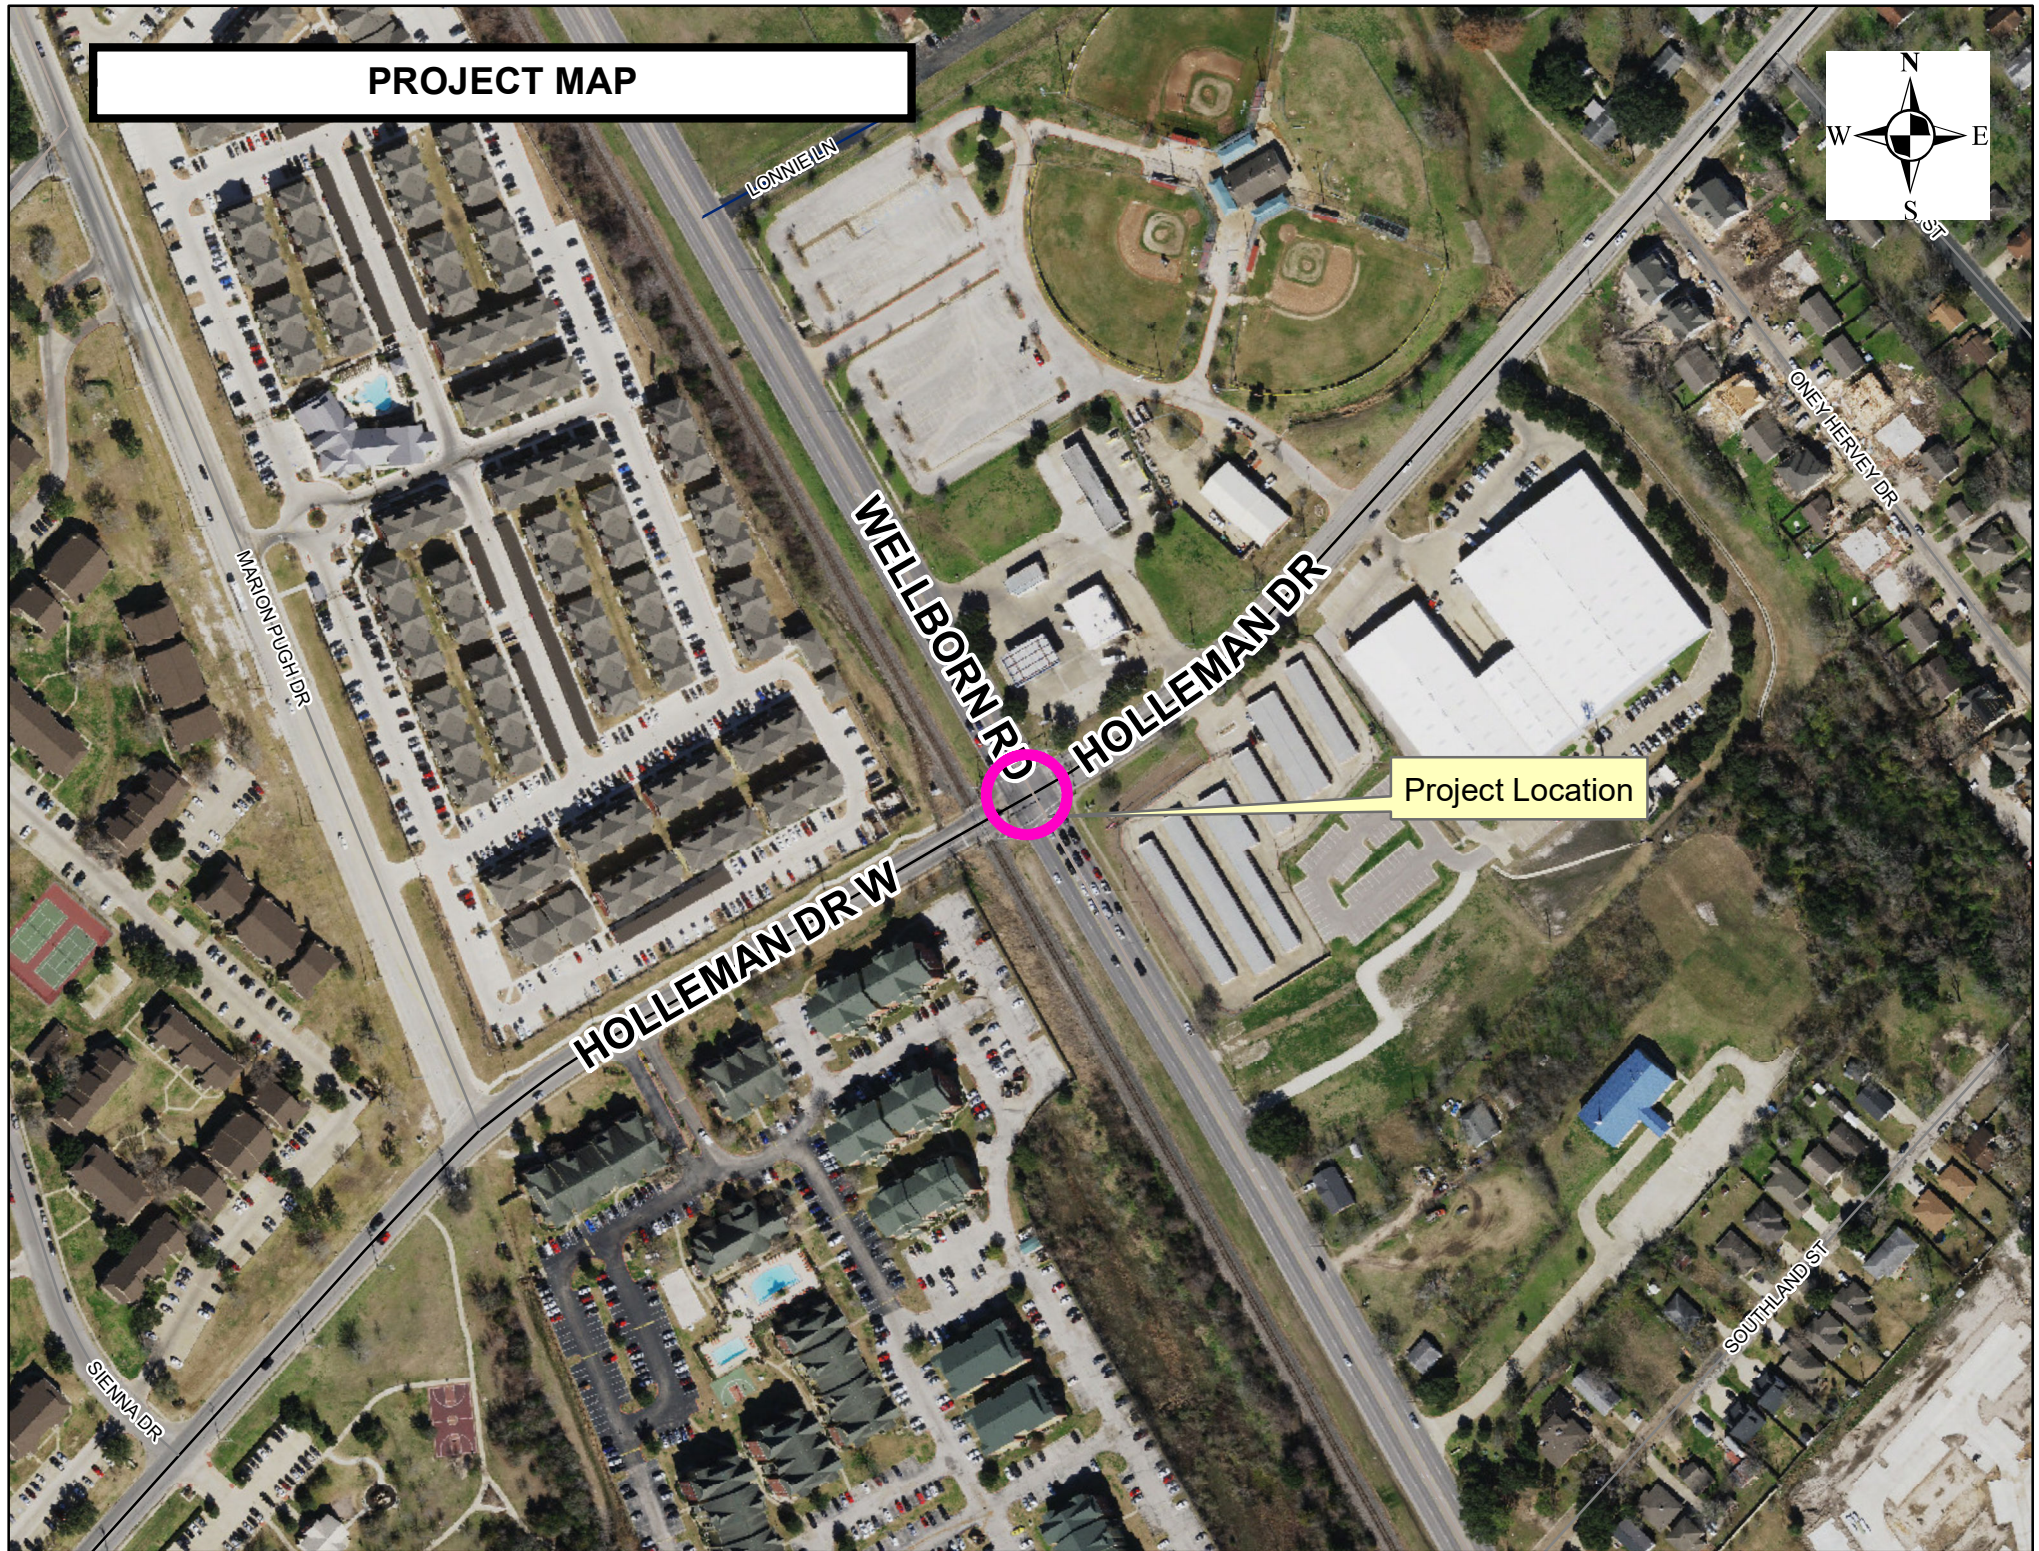

Budget & Financial Summary: Budget in the amount of \$640,889 is included for this project in the Streets Capital Improvements Project Fund. A total of \$115,447.44 has been expended or committed to date, leaving \$525,439.64 available for design, land and construction. An Advanced Funding Agreement (AFA) is being developed for TXDoT participation in this project.
