

EASTERWOOD
A I R P O R T

People Connecting People

Your Airport Has Challenges

- **Pilot shortage** negatively impacts regional service first
- Easterwood is served by the **fastest declining aircraft type** of 50 seat or less
- **Consolidation** = connecting frequency and seating capacity has decreased while aircraft size is increasing.

One Stop to Many Destinations

- American Airlines – DFW is the third largest airport in United States with **229 destinations provided by 28 airlines.**

- United Airlines – IAH can connect you to **178 destinations provided by 27 airlines.**
- Air Service retention is vital to connectivity and long term success
