Educator Fingerprinting in Texas

Why did human resources investigate operating a fingerprint center?

- Summer of 2020 local Identogo Center intermittently closed due to COVID.
- Applicants were forced to go outside of local area for an appointment or wait for the local center to reopen or wait up to 4 weeks for an appointment.
- Remote centers filled appointments quickly, some temporarily closed due to COVID, and others were not open every day of the week.
- Centers serve fingerprinting services for TSA Precheck, Concealed Carry, State Board of Education, judicial system, public servants, medical professionals, truck drivers, child care providers...
