Type	Action (Consent), Discussion, Information
Preferred Date	Jan 11, 2021
Absolute Date	Jan 11, 2021
Fiscal Impact	Yes
Dollar Amount	258,635.00
Budgeted	Yes
Budget Source	ASIC0004 - BTU Administration Building Project

BTU is working toward the construction of a new Administration Building on the site of the former Armory at 511 W. Carson Street. Extensive engineering and architectural review of the existing structures was performed and it was determined that those buildings are not adequate for the future needs of BTU and our customers.

The next step is to abate and remove the current structures and materials in order to ready the site for subsoil preparation and the eventual construction of the new BTU Administrative building.
