Safety and Security

As determined in the facility assessment, recommended by the safety and security committee, and agreed upon by the bond steering committee, fence replacement is a priority.

- Fence repairs and replacement
 - Merrill Green Stadium
 - Kemp, Crockett, Johnson- date TBD
- Note: 2019 Bond Fence Replacement included all other elementary schools.

Fence Replacement Process

- Demolition & removal of interior & perimeter fence
- Paint existing ornamental fence (will remain)
- Ground surface preparation
- Installation of temporary security fence
- Installation of 16" concrete mow strip
- Installation of pilasters (brick columns)
- Installation of two entryway gates to match main entry design
- Installation of interior fence
- Installation of perimeter fence

Merrill Green Stadium

Existing Fencing and Entry

Merrill Green Stadium Fencing Along Oak Ridge

Merrill Green Stadium Fencing Along Briarcrest

Merrill Green Stadium Campus Dr Stadium Entry

Merrill Green Stadium Visitor Stadium Entry

Recommendation for Consideration

Replace the Merrill Green Stadium fencing with ornamental fencing.

- Considerations
 - Safety & security
 - Durability & longevity
 - Ease of maintenance
 - Aesthetics
