In the event of such a delay, the Commencement Date will automatically be extended to the date Tenant is able to occupy the Property and the Expiration Date will also be extended by a like number of days, so that the length of this lease remains unchanged. If Tenant is unable to occupy the leased premises after the 90th day after the Commencement Date because of construction on the leased premises to be completed by Landlord that is not substantially complete or a prior tenant's holding over of the leased premises, Tenant may terminate this lease by giving written notice to Landlord before the leased premises become available to be occupied by Tenant and Landlord will refund to Tenant any amounts paid to Landlord by Tenant. 4. RENT AND EXPENSES:

check of Tenant is returned to Landlord by the institution on which it was drawn, Landlord after providing written notice to Tenant may require Tenant to pay subsequent amounts that become due under this lease in certified funds. G. Late Charges: If Landlord does not actually receive a rent payment at the designated place of payment within 5 days after the date it is due, Tenant will pay Landlord a late charge equal to 10% of the amount due. In this paragraph, the mailbox is not the agent for receipt for Landlord. The late charge is a cost associated with the collection of rent and Landlord's acceptance of a late charge does not waive Landlord's right to exercise remedies under Paragraph 20.
