A Partnership

College View High School ReVisioning

Vision - College View High School's vision is to Inspire, Prepare, and Empower students to achieve lifelong success.

Mission - College View High School's mission is to provide students with distinctive educational opportunities to meet the unique needs of each individual and their future career path.

Who are College View High School Students?

CVHS students are...

Students who desire a college and/or career focused, customized high school experience in a non-traditional high school setting.

- They may need additional support in their pursuit of post-secondary opportunities.
- They may be historically underserved students, such as students who are at-risk and/or economically disadvantaged.

The non-traditional high school setting allows:

- A smaller environment
- Increased mentoring and progress monitoring toward graduation
- Personalized college and career planning
- Flexibility and opportunity to accelerate
- An 8 period block course schedule & 50 minute advisory period

The College View Academies

College Station ISD's home for innovative & specialized programs to serve high school students through a non-traditional educational setting.

The CVHS Academies

Collegiate Academy

Currently, students can earn up to 55 hours of dual credit STEM/42 non-STEM through Blinn College

Career & Industry Academy

Earn an industry-based certification while completing a program of study not offered at the comprehensive high schools

Accelerated Academy

Earn a foundation high school diploma with endorsement (26 credits) at an accelerated pace through a custom graduation plan that includes in-person and Edgenuity courses

Collegiate Academy

In the 2021-22 School Year:

- Continue current dual credit offerings

Future Plans:

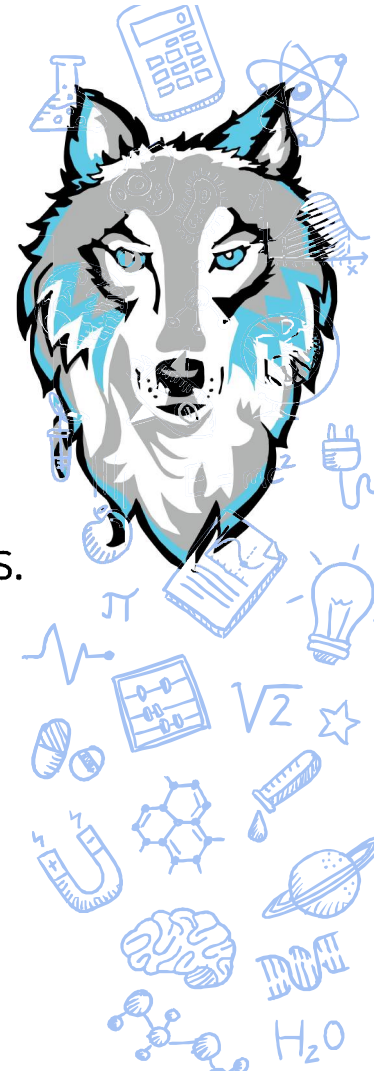

- Streamline dual credit offerings to lead to an associate's degree
- Explore partnerships with universities and technical colleges to build an avenue to pursue a four-year degree in two years after high school graduation

Accelerated Academy

Add Program for the 2021-22 School Year:

- Recruit students who desire to accelerate learning for initial credit and/or learning recovery
 - Students who desire early graduation in 3–3.5 years.
 - Students with credit deficiencies.

Career & Industry Academy

In the 2021-22 School Year:

- Continue current pathways:
 - Design & Multimedia Arts in Animation
 - Fire Science (currently one student)
- Begin expanding CTE offerings
