A close-up photograph of a person's hands working on a technical drawing or blueprint. The person is wearing a black wristwatch on their left wrist. They are using a blue metal T-square to draw a line on the paper. A red marker is also visible on the drawing. The drawing itself contains various lines, circles, and some faint text. The overall scene is lit with a warm, golden light, suggesting an indoor setting with soft lighting. The text "NEXT STEPS" is overlaid in the center of the image in a large, white, bold, sans-serif font.

- The proposition amounts for the projects (General, Technology and Athletics)
- Follow up information on the scope of athletic renovations
- District will provide updated information related to property values which may provide the committee additional capacity to meet the needs of the district
