# Board Policy CW (Local) Intermediate #3

## **Naming Committee for Schools**

The Board President shall appoint a committee to review prospective school names for recommendation to the entire Board.

The committee shall select school names that:0)

1. Honor a deceased, distinguished Texan;  
and
2. Reflect the ideals and high standards of the District.

# Board Policy CW (Local) Maintenance and Transportation Building

## **Naming Committee for Other District Facilities**

The Board President may appoint a committee to review prospective names for other District facilities for recommendation to the entire Board.

The committee shall select names for other District facilities, including facilities located within school campuses, that:

1. Honor an individual who has made a significant contribution to the District, the local community, the state, or the nation; and
2. Reflect the ideals and high standards of the District.

If a committee is not appointed, the Board shall select names for other District facilities utilizing the above referenced criteria.
