Summary:

Legends Event Center (LEC) is scheduled to open December 2022. With its opening, a rates resolution needs to be approved to charge renters/users for use of the facility. The attached rates were proposed by the Sports Facilities Management (SFM) General Manager (Jamie Cox) after market research of similar sized facilities in comparable markets.

Staff Analysis and Recommendation:

Facility fees at the Legends Event Center may be established and/or adjusted by the City Manager, or his or her designee. Fees may be adjusted for a number of reasons, including but not limited to special events, tournament play, promotional campaigns, pass discounts, senior/student discounts, or competitive market conditions. Fees may not be established or adjusted above the published fees as approved by the City Council through the attached proposed Resolution. That is, fees established by the proposed Resolution are not to exceed amounts.

Based on the research of the SFM General Manager, City staff recommends approval of Legend Event Center facility rates, which are attached to this Council Action Form.

Options:

- A. Approve the proposed Resolution to establish Legends Event Center facility rates.
- B. Modify and then approve the proposed Resolution to establish Legends Event Center facility rates, which may require consideration at a future City Council meeting.
- C. Do not approve the proposed Resolution and provide staff direction.
- D. Take no action and provide staff direction.
