Meet the Quintero-Mendez family

Jose and his wife, Adriana, can't wait for the day when they can move into their very own Habitat home. The biggest reason for their excitement can be summed up in one word — space!

The Quintero-Mendez household consists of three generations: Abigail (Adriana's mother, age 61), Jose and Adriana (age 29 and 31, respectively) and the couple's three children: sons
