Menu Requirements

- The average daily calories must not exceed a maximum amount for each age group.
- Eighty percent of grains must be whole grain rich. (at least 51% whole grain)
- A variety of vegetable groups must be served each week, including legumes, dark green and orange.
- A reimbursable student meal must include either a fruit or vegetable at lunch and a fruit at breakfast.
- Total Fat must be <30% and Saturated Fats <10% of total calories
- Sodium has been reduced significantly.
 - Currently an entire meal has less sodium than one fast food hamburger. (<1230 mg)

Healthier Menu Choices

- Healthier versions of children's favorite foods are developed for school meals.
- Most of the items on our menu items are low-fat, whole grain versions of familiar foods that are baked or steamed instead of fried.

 Portion sizes are age group appropriate to fit a healthy diet.

Smart Snacks

- Smart Snacks Regulations for food items sold in schools.
- This applies to any food sold ala carte in the cafeteria, in school stores, vending machines or as a fundraiser held during the school day.
- The school day is defined as midnight until 30 minutes after the last period ends.
- Requirements for food sold include serving size, calorie, sodium, fat and sugar limits.
- CSISD Wellness Policy allows for six Smart Snacks exempt days.

Children with Special Diets

- Substitutions are made for students with a physician's note stating they have a life-threatening food allergy or disability. This may require texture change, eliminating food allergies or writing an entire special menu.
- Currently CSISD has 45 students on a specialized menu such as gluten free, soy free or egg free.
- Child Nutrition Dietitian works with the physician, parents and campus nurses to be sure the student's needs are met. Campus staff are trained on each diet as needed.
