**11.07 Workers’ Compensation/Employers Liability Insurance Requirements.** The following Workers’ Compensation Insurance requirements shall apply; and the term “contractor” shall be construed to mean “consultant” as identified in this Contract:

- (a) Pursuant to the requirements set forth in Title 28, Section 110.110 of the Texas Administrative Code, all employees of the Consultant, the Consultant, all employees of any and all subcontractors, and all other persons providing services on the Project must be covered by a workers’ compensation insurance policy: either directly through their employer’s policy (the Consultant’s, or subcontractor’s policy) or through an executed coverage agreement on an approved Texas Department of Insurance Division of Workers Compensation (DWC) form. Accordingly, if a subcontractor does not have his or her own policy and a coverage agreement is used, Consultants and subcontractors must use that portion of the form whereby the hiring contractor agrees to provide coverage to the employees of the

subcontractor. The portion of the form that would otherwise allow them not to provide coverage for the employees of an independent contractor may not be used.

**(b)** The workers' compensation/Employer's Liability insurance shall include the following terms:

- i. Employer's Liability limits of \$1,000,000 for each accident is required.

**(c)** Pursuant to the explicit terms of Title 28, Section 110.110(c)(7) of the Texas Administrative Code, this Contract, the bid specifications, this Contract, and all subcontracts on this Project must include the terms and conditions set forth below, without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation:

i. Definitions:

Certificate of coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the Division of Workers Compensation, or a coverage agreement (DWC-81, DWC-83, or DWC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

Duration of the project - includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

Persons providing services on the project ("subcontractors" in § 406.096 [of the Texas Labor Code]) - includes all persons or entities performing all or part of the services the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

ii. The Contractor shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage

agreements, that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

- iii. The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract.
- iv. If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.
- v. The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:
  1. a certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and
  2. no later than seven calendar days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
- vi. The Contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.
- vii. The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within 10 calendar days after the Contractor knew or should have known, or any change that materially affects the provision of coverage of any person providing services on the project.
- viii. The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Division of Workers Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
- ix. The Contractor shall contractually require each person with whom it contracts to provide services on a project, to:
  1. provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the project, for the duration of the project;
  2. provide to the Contractor, prior to that person beginning work on the project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project;

3. provide the Contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project;
  4. obtain from each other person with whom it contracts, and provide to the Contractor:
    - A. a certificate of coverage, prior to the other person beginning work on the project; and
    - B. a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project;
  5. retain all required certificates of coverage on file for the duration of the project and for one year thereafter;
  6. notify the governmental entity in writing by certified mail or personal delivery, within 10 calendar days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and
  7. Contractually require each person with whom it contracts, to perform as required by paragraphs (a) - (g), with the certificates of coverage to be provided to the person for whom they are providing services.
- x. By signing this contract, or providing, or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services on the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the Commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- xi. The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor that entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten calendar days after receipt of notice of breach from the governmental entity.”

**11.01 Professional Liability Requirements.** The following Professional Liability requirements shall apply:

- (a) Coverage shall be written by a carrier rated “A:VIII” or better in accordance with the current A.M. Best Key Rating Guide.

- (b) Minimum of \$1,000,000 per claim and \$2,000,000 aggregate, with a maximum deductible of \$100,000.00. Financial statements shall be furnished to the City of College Station when requested.
- (c) Consultant must continuously maintain professional liability insurance with prior acts coverage for a minimum of two years after completion of the Project or termination of this Contract, as may be amended, whichever occurs later. Coverage under any renewal policy form shall include a retroactive date that precedes the earlier of the effective date of this Contract or the first performance of services for the Project. The purchase of an extended discovery period or an extended reporting period on this policy will not be sufficient to comply with the obligations hereunder.
- (d) Retroactive date must be shown on certificate.

## **ARTICLE XII USE OF DRAWINGS, SPECIFICATIONS AND OTHER DOCUMENTS**

**12.01** Any and all drawings, specifications and other documents prepared, furnished, or both prepared and furnished by Consultant or any Subconsultant or other designer contracted under Consultant pursuant to this Contract (including, without limitation, the Construction Documents) ("Work Product"), shall be the exclusive property of the City, whether the Project is completed or not. Upon completion or termination of this Contract, Consultant shall promptly deliver to the City all records, notes, data, memoranda, models, and equipment of any nature that are within Consultant's possession or control and that are the City's property or relate to the City or its business. The City shall be furnished and permitted to retain reproducible copies and electronic versions of Consultant's Work Product and related documents and information relating to the Project.

**12.02** Consultant warrants to City that (i) Consultant has the full power and authority to enter into this Contract, (ii) Consultant has not previously assigned, transferred or otherwise encumbered the rights conveyed herein, (iii) Work Product is an original work of authorship created by Consultant's employees during the course of their employment by Consultant, and does not infringe on any copyright, patent, trademark, trade secret, contractual right, or any other proprietary right of any person or entity, (iv) Consultant has not published the Work Product (including any derivative works) or any portion thereof outside of the United States, and (v) to the best of the Consultant's knowledge, no other person or entity, except City, has any claim of any right, title, or interest in or to the Work Product.

**12.04** The documents prepared by Consultant may be used as a prototype for other facilities by the City. The City may elect to use the Consultant to perform the site adaptation and other architectural or engineering services involved in reuse of the prototype. If so, the Consultant is obligated to perform the work for an additional compensation that will fairly compensate the Consultant and its sub-consultants only for the additional work involved. It is reasonable to expect that the fair additional compensation will be significantly less than the fee provided for under this

Contract. If the City elects to employ a different architect or engineer to perform the site adaptation and other architectural or engineering services involved in reuse of the prototype, that architect or engineer will be entitled to use Consultant's sub-consultants on the same basis that Consultant would have been entitled to use them for the work on the reuse of the prototype, and such architect or engineer will be entitled, to the extent allowed by law, to duplicate the design and review and refer to the construction documents, approved shop drawings and calculations, and change order drawings in performing its work. The Consultant will not be responsible for errors and omissions of a subsequent architect or engineer. The Consultant shall commit its subconsultants to the terms of this subparagraph. The provisions of this section shall survive termination of this Contract.

**12.05** In the event of termination of this Contract for any reason, the City shall receive all Work Product and original documents prepared to the date of termination and shall have the right to use those documents and any reproductions in any way necessary to complete the Project.

**12.06** Only the details of the drawings relating to this Project may be used by the Consultant on other projects, but they shall not be used as a whole without written authorization by the City. The City-furnished forms, conditions, and other written documents shall not be used on other projects by the Consultant.

### **ARTICLE XIII TERMINATION**

**13.01** The City may terminate this Contract at any time upon **thirty (30)** calendar days written notice. Upon the Consultant's receipt of such notice, the Consultant shall cease work immediately. The Consultant shall be compensated for the services satisfactorily performed prior to the termination date.

**13.02** If, through any cause, the Consultant fails to fulfill its obligations under this Contract, or if the Consultant violates any of the agreements of this Contract, the City has the right to terminate this Contract by giving the Consultant **five (5)** calendar days written notice. The Consultant will be compensated for the services satisfactorily performed prior to the termination date.

**13.03** No term or provision of this Contract shall be construed to relieve the Consultant of liability to the City for damages sustained by the City because of any breach of contract and/or negligence by the Consultant. The City may withhold payments to the Consultant for the purpose of setoff until the exact amount of damages due the City from the Consultant is determined and paid.

### **ARTICLE XIV MISCELLANEOUS TERMS**

**14.01** This Contract has been made under and shall be governed by the laws of the State of Texas. The parties agree that performance and all matters related thereto shall be in Brazos County, Texas.

**14.02** Notices shall be mailed to the addresses designated herein or as may be designated in writing by the parties from time to time and shall be deemed received when sent postage prepaid U.S. Mail to the following addresses:

**14.03 Fraud Reporting.** To reduce the risk of fraud and to protect the Contractor’s financial information from fraud, the Contractor must report to the City in writing at [VendorInvoiceEntry@cstx.gov](mailto:VendorInvoiceEntry@cstx.gov) if the Contractor reasonably suspects or knows if any of their financial information has been subject to fraudulent activity or suspected fraudulent activity.

**14.04** No action or failure to act by the City shall constitute a waiver of a right or duty afforded them under the Contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach there under, except as may be specifically agreed in writing. No waiver of any provision of the Contract shall be of any force or effect, unless such waiver is in writing, expressly stating to be a waiver of a specified provision of the Contract and is signed by the party to be bound thereby. **Re: Greens Prairie Road Phase 2 Widening Project Scope – County Section**

Dear Ms. Susan Monnat, PE:

Binkley & Barfield, Inc. (BBI) is pleased to submit this scope to The City of College Station (City) for professional services in connection with the Greens Prairie Road Phase 2 Widening Project. Per City direction, we are proposing Additional Engineering Design and Bidding & Construction Phase Services within the County Section to supplement BBI's Proposal for Professional Services dated November 6, 2018, and a nominal increase in the Construction Material Testing services budget, due to billing rate cost escalation, as summarized below.

**A. Services to be provided by BBI:**

BBI will provide **Engineering Design and Bidding & Construction Phase Services** to complete the County Section of the project.

Curb Line Adjustments: It is our understanding the City would like to offset the northern curb line 2' to the south to avoid utility pole encumbrances. The shift would require revisions to the following sheets:

1. TCP Layouts
2. Roadway geometry and grading models
3. Contour layouts
4. Sidewalk layouts / details
5. Roadway Plan and Profiles
6. Removal Layouts
7. Intersection Layouts
8. Sign and Striping Layouts
9. Drainage Plan and Profiles
10. Drainage H&H Sheets
11. Drainage Laterals
12. Culvert Layouts
13. SWPPP Layouts
14. Waterline Plan and Profiles
15. Quantity Summaries
16. Opinion of Probable Construction Costs
17. Contract Documents
18. QA/QC

Utility Coordination Services: The original project scope did not include utility coordination services. Due to a number of proposed utility relocations (Frontier, Suddenlink, WSUD, CSU, COCS, and BTU), the City requested that BBI provide additional preconstruction and construction support to assist with this effort. BBI proposes setting up an hourly budget (utilizing BBI's current corporate rate sheet), to be used on an as needed basis, to complete any utility coordination and plan review tasks and has estimated 56 hours for additional utility coordination and plan review services.

Bidding and Construction Phase Services: BBI will assist the City during the bidding process by attending the pre-bid meeting and assisting in the opening and tabulation of bids for construction of the project. BBI

will provide engineering support services during construction to include attending the preconstruction conference, reviewing of shop drawings and resolution of contractor’s request for information (RFI’s), if required. A total of 24 progress/site meetings are included in this scope and will be provided as requested by the City for review of the contractor’s general conformance with the construction documents. If a site visit is requested and completed, BBI’s representative will prepare notes of the visit for distribution to all required parties. (Note: This is not to be considered onsite Construction Observation.) BBI will also prepare record drawings (based on the contractors redlines and in accordance with COCS and CSU standards) and provide them in 24x36 mylar, Microstation DGN, and Adobe PDF formats.

**B. Services to be provided by CME Testing and Engineering, Inc. (CME):**

CME has requested a nominal increase in their unit rate Construction Materials Testing Services budget (provided in the original proposal as *Attachment E: CME Testing and Engineering, Inc. proposal for Construction Materials Testing Services dated September 13, 2018.*) to account for billing rate cost escalation (2018 versus 2023 rates).

**C. Compensation:**

We propose to provide the specific services described above as follows:

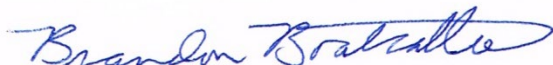

<b><i>Engineering Design and Bidding &amp; Construction Phase Services (BBI)</i></b>	
Design Revisions (Lump Sum)	\$46,040.00
Utility Coordination Services (Hourly)	\$12,600.00
Bidding & Construction Phase Services (Lump Sum)	\$50,900.00
<i>Total BBI Fee</i>	<i>\$109,540.00</i>
<b><i>Materials Testing Services (CME)</i></b>	
Materials Testing Cost Escalation (Unit Rate)	\$4,381.50
<i>Total CME Fee</i>	<i>\$4,381.50</i>
<b>Total Contract Amount</b>	<b>\$113,921.50</b>

**D. Additional Services:**

We have made our best effort to prepare a thorough and complete proposal to successfully complete this project. However, there may be additional services we are not currently aware of that may be required or that the Client may desire we provide. Should such a situation occur, a separate proposal would be submitted to the Client for approval prior to our beginning the additional services.

Please call should you have any questions. Thank you again for selecting Binkley & Barfield, Inc. for this assignment and we look forward to working with the City of College Station.

Sincerely,  
**Binkley & Barfield, Inc.**

2. The following paragraph is added to Paragraph **4.b.** of the Other Insurance Condition of Section **IV – Commercial General Liability Conditions**:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

All other terms and conditions of this policy remain unchanged.

## **DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

### **SCHEDULE**

**Designated Construction Project(s):**

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A**, and for all medical expenses caused by accidents under Section **I** – Coverage **C**, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
  - 1.** A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
  - 2.** The Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage **C** regardless of the number of:
    - a.** Insureds;
    - b.** Claims made or "suits" brought; or
    - c.** Persons or organizations making claims or bringing "suits".
  - 3.** Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
  - 4.** The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit.

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section I – Coverage **A**, and for all medical expenses caused by accidents under Section I – Coverage **C**, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
  - 1.** Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and
  - 2.** Such payments shall not reduce any Designated Construction Project General Aggregate Limit.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Construction Project General Aggregate Limit.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E.** The provisions of Section III – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

#### **G. Extended Glass Coverage**

The following is added to Paragraph **A.3.a.** of the **Physical Damage Coverage** Section:

- (a) Are the property of an "insured"; and
- (b) Are in a covered "auto" at the time of "loss".

The most we will pay for such "loss" to tapes, records, discs or other similar devices is \$500. The **Physical Damage Coverage Deductible** Provision does not apply to such "loss".

#### K. Airbag Coverage

The Exclusion in Paragraph B.3.a. of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph B.4.a. of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply to the accidental discharge of an airbag.

#### L. Two or More Deductibles

If an accident is covered both by this policy or Coverage Form and by another policy or Coverage Form issued to you by us, the following applies for each covered "auto" on a per vehicle basis:

1. If the deductible on this policy or Coverage Form is the smaller (or smallest) deductible, it will be waived; or
2. If the deductible on this policy or Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

#### **M. Temporary Substitute Autos – Physical Damage**

1. The following is added to **Section I – Covered Autos**:

##### **Temporary Substitute Autos – Physical Damage**

If Physical Damage Coverage is provided by this Coverage Form on your owned covered "autos", the following types of vehicles are also covered "autos" for Physical Damage Coverage:

Any "auto" you do not own when used with the permission of its owner as a temporary substitute for a covered "auto" you do own but is out of service because of its:

1. Breakdown;
  2. Repair;
  3. Servicing;
  4. "Loss"; or
  5. Destruction.
2. The following is added to the Paragraph **A. Coverage** Provision of the **Physical Damage Coverage** Section:

##### **Temporary Substitute Autos – Physical Damage**

We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

#### **N. Amended Duties In The Event Of Accident, Claim, Suit Or Loss**

Paragraph **a.** of the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is replaced by the following:

- a.** In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

- (1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

#### **O. Waiver of Transfer Of Rights Of Recovery Against Others To Us**

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

**P. Employee Hired Autos – Physical Damage**

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

**Q. Unintentional Failure to Disclose Hazards**

The following is added to the **Concealment, Misrepresentation Or Fraud** Condition:

However, we will not deny coverage under this Coverage Form if you unintentionally:

- (1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or
- (2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

**R. Hired Auto – World Wide Coverage**

Paragraph **7.b.(5)** of the **Policy Period, Coverage Territory** Condition is replaced by the following:

- (5) Anywhere else in the world if a covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less,

**S. Bodily Injury Redefined**

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

**T. Expected Or Intended Injury**

The **Expected Or Intended Injury** Exclusion in Paragraph **B. Exclusions** under **Section II – Covered Auto Liability Coverage** is replaced by the following:

**Expected Or Intended Injury**

**U. Physical Damage – Additional Temporary Transportation Expense Coverage**

Paragraph **A.4.a.** of **Section III – Physical Damage Coverage** is replaced by the following:

**4. Coverage Extensions**

**a. Transportation Expenses**

We will pay up to \$50 per day to a maximum of \$1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

**V. Replacement of a Private Passenger Auto with a Hybrid or Alternative Fuel Source Auto**

The following is added to Paragraph **A. Coverage** of the **Physical Damage Coverage** Section:

In the event of a total "loss" to a covered "auto" of the private passenger type that is replaced with a hybrid "auto" or "auto" powered by an alternative fuel source of the private passenger type, we will pay an additional 10% of the cost of the replacement "auto", excluding tax, title, license, other fees and any aftermarket vehicle upgrades, up to a maximum of \$2500. The covered "auto" must be replaced by a hybrid "auto" or an "auto" powered by an alternative fuel source within 60 calendar days of the payment of the "loss" and evidenced by a bill of sale or new vehicle lease agreement.

To qualify as a hybrid "auto", the "auto" must be powered by a conventional gasoline engine and another source of propulsion power. The other source of propulsion power must be electric, hydrogen, propane, solar or natural gas, either compressed or liquefied. To qualify as an "auto" powered by an alternative fuel source, the "auto" must be powered by a source of propulsion power other than a conventional gasoline engine. An "auto" solely propelled by biofuel, gasoline or diesel fuel or any blend thereof is not an "auto" powered by an alternative fuel source.

**W. Return of Stolen Automobile**

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

All other terms, conditions, provisions and exclusions of this policy remain the same.
