

NO. 21-02149-CRF-85 & 21-02150-CRF-85

THE STATE OF TEXAS	§	IN THE 85TH
VS	§	DISTRICT COURT OF
LARRY BOLLIN	§	BRAZOS COUNTY, TEXAS

**ORDER OF INCOMPETENCY TO STAND TRIAL:
INITIAL RESTORATION COMMITMENT**

The Defendant, LARRY BOLLIN, having been charged by indictment in connection with the above entitled and numbered cause for the criminal offense(s) of Murder, Aggravated Assault, and Attempted Capital Murder, and this day being called for trial, the State appeared by her Assistant District Attorney, and the Defendant appeared in person and by attorney and announced ready for trial.

The Defendant's incompetence to stand trial has been raised in advance of the trial on the merits, pursuant to Article 46B, Texas Code of Criminal Procedure. The Court finds that attorneys for the State and defense have previously submitted an Order Appointing Expert to Examine Defendant which was signed and approved pursuant to Article 46B.005 and 46B.021 Texas Code of Criminal Procedure. The initial reports as to Mr. Bollin's competency were inconclusive. However, since that time, an additional evaluation was performed by Dr. Mary Alice Conroy pursuant to a Court Order in Grimes County Cause No. 18,876. The Court further finds that the court-appointed expert in Grimes County is qualified under Article 46B.022 Texas Code of Criminal Procedure to evaluate the Defendant on the issue of competency; that said expert

considered the factors regarding competency detailed in Article 46B.024 Texas Code of Criminal Procedure; and that said expert has provided this Court with a detailed report of their findings and opinions pursuant to Article 46B.025 in a timely manner.

After reviewing the report submitted by the expert in this cause and after hearing arguments of counsel on this matter, the Court finds that all necessary criteria have been met under Article 46B Subchapter C, Texas Code of Criminal Procedure, and further finds that the Defendant LARRY BOLLIN is incompetent, to-wit: does not have the sufficient present ability to consult with his attorney with a reasonable degree of rational understanding; or a rational as well as factual understanding of the proceedings against him.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED by the Court that the said Defendant, LARRY BOLLIN, is incompetent to stand trial at this time.

IT IS THEREFORE FURTHER ORDERED, ADJUDGED, AND DECREED that, pursuant to Art. 46B.073, said Defendant is hereby ordered committed to a mental health facility or residential care facility determined to be appropriate by the local mental health authority or local mental retardation authority or any other facility designated by the Department of State Health Services (DSHS), for a period **not to exceed 120 days** from the date of his admission to the facility or until He may sooner be discharged as provided by law.

IT IS FURTHER ORDERED BY THIS COURT that the Sheriff of Brazos County Texas, now take the Defendant into custody, and deliver him to the above facility, and that

the Defendant be confined therein in accordance with this Judgment for further examination and treatment toward the specific objective of attaining competency to stand trial.

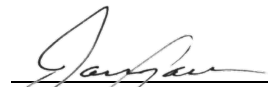

IT IS FURTHER ORDERED BY THIS COURT that a transcript of all medical testimony and copies of expert reports received by the Court in the trial of this cause forthwith be prepared by the court reporter, and that such evidence, together with any other documents or reports relating to the mental condition of the Defendant, a copy of the indictment or information, any documents used to establish probable cause, the Defendant's criminal history record, and addresses of the attorney representing the Defendant and the State, shall accompany the patient to the facility.

SIGNED ON 11/28/2023.
