# Southside Street Signage Project

- Project is a collaboration between the Southside Neighborhood Association and the City of College Station.
- Current street signs will be replaced with customized signs and selected design elements.
- Signs will be fabricated by local sign company and installed by Public Works Sign Technicians.
- The design was created by the Public Communications Department with direction from neighborhood group.
- The funds for this project were raised by the neighborhood. Signatures of support were obtained from residents.
- The Neighborhood Grant Program will be amended to include customized street signs as an eligible project.
