

Special Event Paid Parking Pilot Program

April 25, 2024

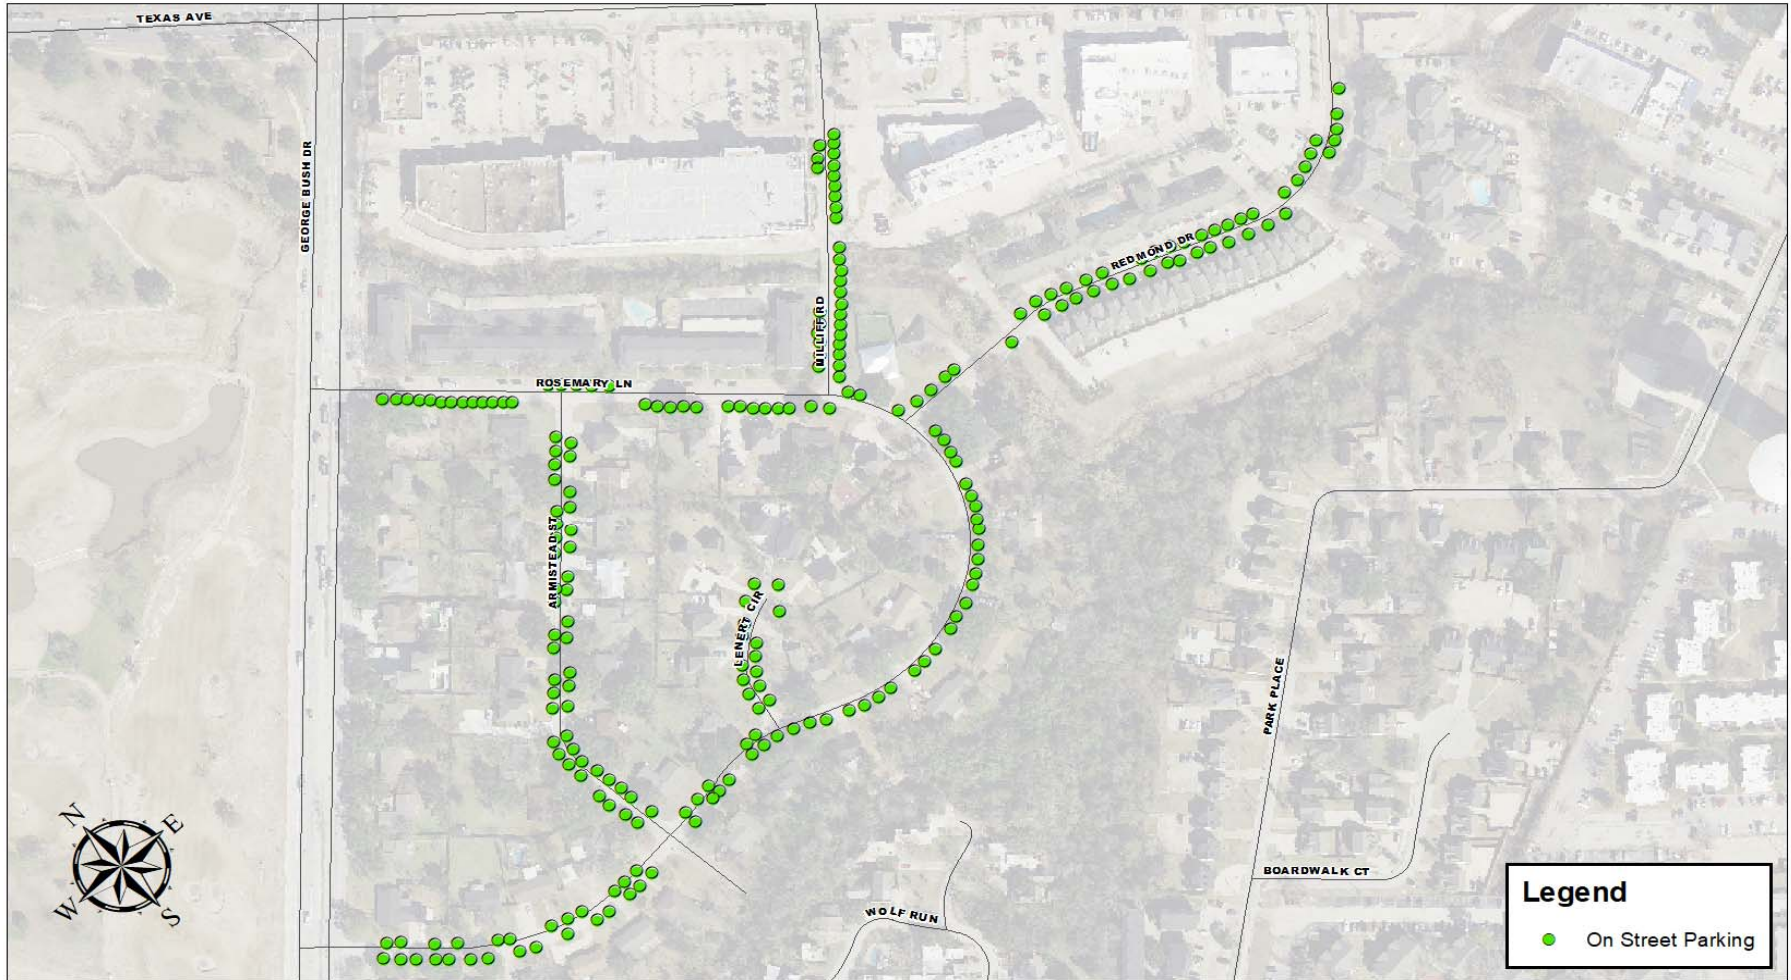

Overview

- Pilot will only occur during the weekend events of June 8 and June 15, 2024
- Address on-street parking congestion in residential neighborhoods during major events
- Generate revenue to assist with recovering City's special event/game day operational costs
- This program will not create additional on-street parking
- The program only applies to publicly owned rights-of-way.
