THE DIFFERENCE IS YOU

# Master Plan Outcomes

## Safety Issues

- Ingress and egress – cars line up along Sandy Point Rd. on busy days

## Deteriorating Infrastructure

- Parking
- Bathrooms

## Additional Simple Amenities

- Fishing Piers
- Playgrounds
- Dog park

# Issues Identified

# Solutions

## Safety

- Changing direction of the booth where patrons pay upon exit

## Infrastructure

- Investing in infrastructure such as parking, bathrooms, and improved roads

## Revising fee structure to be more in line with typical state parks

- \$5/person, children 10 and under free
- Will still offer annual passes and RVs/tent camping

# Timeline

- The booth reversal is expected to be complete before the end of May
- The fee restructure will be instituted upon completion of booth reversal
- Parking lot rebuild and erosion mitigation planned in FY24
- Additional infrastructure improvements and amenities to be proposed in future budget requests
