Grounds to Challenge a voter's registration for residency

Texas Election Code Section 16.092. SWORN STATEMENT REQUIRED.

A voter desiring to challenge a registration must file with the registrar a sworn statement of the grounds for the challenge that:

- (1) identifies the voter whose registration is being challenged; and
- (2) states a specific qualification for registration that the challenged voter has not met based on the public knowledge of the voter designing to challenge the registration.

To be valid a challenge has to meet the following requirements:

1. Must have an original signature.
2. Must be signed in front of a notary public or similar official.
3. Must establish that the requestor is a registered voter in Brazos County.
4. Must be based on personal knowledge and not hearsay.
