BRAZOS COUNTY, TEXAS – The East Loop Opposition, also known as No East Loop will hold a Community Meeting at Bryan High School Blue Campus Auditorium, off of Barak, on Wednesday, November 20, 2024 from 6:30-8pm.

The residents and landowners of eastern Brazos County are organizing in opposition to the current proposal.

In late October, land and homeowners with parcels touching the potential path received postcards advertising an in-person public meeting with no formal presentation.

From what we can discern, home and landowners adjacent to this area were not notified.

Last week, November 7th, Brazos County, BCSMPO, the City of College Station, the City of Bryan and TXDOT held that meeting and displayed maps with the proposed alignments.

People left with unanswered questions feeling anxious and upset.

Brazos County residents were given a deadline of November 22nd to submit comments.

Two weeks is not sufficient time to notify affected landowners of the impacts this proposal will have on their homes and properties, and submit their comments.

Incoming District 12 State Representative Trey Wharton will be in attendance as well as County Judge Duane Peters and Precinct 2 Commissioner Chuck Konderla.
