[2154 \(Wellborn Road\)](#) from SH 40 (William D. Fitch Parkway) to Greens Prairie Road in Brazos County, Texas. This notice advises the public that TxDOT will be conducting a public hearing on the proposed project. The goal of the project is to enhance safety, increase capacity for anticipated future traffic, and provide bicycle and pedestrian accommodations.

**Description**

The proposed project would widen FM 2154 from the existing two-lane roadway with a center turn lane to a four-lane roadway, two lanes in each direction, separated by a raised median with dedicated left turn lanes at selected intersections. Additional improvements include a traffic signal at the intersection with McCullough Road, a curb and gutter, and a shared-use path along the east side of the roadway. The proposed project is approximately 2.7 miles long.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection by appointment Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Bryan District Office, 2591 North Earl Rudder Freeway, Bryan, Texas 77803, 979-778-9231. This information will also be available at the meeting.

**Accessibility**

The public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the public meeting, please contact the Bryan District Public Information Officer at 979-778-9764 no later

	<p>than 4 p.m. CT, Monday, September 16, 2024. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.</p>
