

# Disability Resources Updates

---

Dr. Kristie Orr, Disability Resources Director  
AOC Meeting  
April 16, 2025

# West Campus Testing Center

- 1<sup>st</sup> floor Business Library and Collaborative Commons
- Previously an Open Access Computer Lab
- Three large testing rooms and two private rooms
- 123 seats for test takers
- Will provide accommodated testing for West Campus based classes
- Opening August 2025

# Disability Resources Liaisons

- President Welsh's initiative, supported by Provost's office
- Expansion of current college model
- At least one faculty and one staff member from each department (including off site locations)
- Training in April with ongoing training each semester
- Supporting students "on site"
- Supporting Disability Resources staff with departmental knowledge

## AIM 5.0

- Transition will occur on or around May 16th
- More user-friendly interface
- Mobile friendly
- Disability Resources efficiencies, especially with testing
- Already using multicampus model- customize letters for remote campuses and turn on and off features for different campuses (i.e. testing agreements)
