

**BRAZOS COUNTY
BRYAN, TEXAS**

DEPARTMENT: Purchasing

NUMBER:

DATE OF COURT MEETING: 7/15/2025

ITEM: Permission to Advertise RFP #CIP 25-583 Brazos County Bridge Scour Repair.

TO: Commissioners Court

FROM: Kaitlyn Battles

DATE: 07/10/2025

FISCAL IMPACT: False

BUDGETED: False

DOLLAR AMOUNT: \$0.00

NOTES/EXCEPTIONS:

Brazos County Road & Bridge is requesting to advertise for the 2025 Bridge Scour Repair Program, which includes improvements at nine individual bridge sites located across the county. These bridges—located on Alexander Road (002 and 003), Collette Lane, Harris Lane, Dilly Shaw Tap Road, Kurten Cemetery Road, Fickey Road (001 and 002), and Deep Well Road—have experienced erosion and scour damage from flowing water, putting the structural integrity of each at risk. Repairs will include erosion and sediment control, slope paving and riprap protection, earthwork to reestablish design grades, concrete bridge approaches, replacement of bridge and guard rails to meet TxDOT standards, and site restoration through hydromulching. Temporary traffic control and stormwater pollution prevention measures will be included at each location. These repairs are necessary to ensure the safety, functionality, and longevity of critical bridge infrastructure across Brazos County.
