

A Texas-Born Energy Provider

- **Our Role** as Project Developers
- **Transparency** as a Core Value
- **Good Neighbors** in communities across Texas

Points of Clarification

- The land is **neither intended nor suitable for crypto mining**
- Noise or dust concerns **do not apply**
- Energy contract will be separate from the City, and therefore **will not affect energy pricing**
- Water usage will not exceed the **pre-existing** usage as per standard C&I guidelines
