

**Rural Volunteer Fire Department Assistance Program
Funding Summary - FY 26 Equipment Round #3**

The 77th Texas Legislature passed House Bill 2604 in 2001, establishing the Rural Volunteer Fire Department Assistance Program. The program assists volunteer fire departments with the purchase of equipment and training.

The Texas A&M Forest Service awarded the third round of equipment grants for Fiscal Year 2026 on February 13, 2026. Approximately \$14 million in grants was awarded to Texas volunteer fire departments.

All departments awarded a grant in this round have received official written notice of approval. Approvals were emailed to each department on 2/13/26 with application statuses also updated in FireConnect. Follow up notifications will be mailed to non-responding departments on 3/9/26.

Rolling awards will continue over the coming months to fund apparatus and equipment.
