REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS (\$ _____)

BRAZOS COUNTY, TEXAS (the "County"), being a body corporate and a political subdivision of the State of Texas, promises to pay to the Owner, specified above, or registered assigns (either, the "Owner"), on the Maturity Date specified above, upon presentation and surrender of this Bond at the designated payment office of BOKF, NA, Dallas, Texas, or its successor (the "Paying Agent/Registrar"), to wit: the Principal Amount, specified above, in lawful money of the United States of America, and to pay

interest thereon at the Interest Rate, specified above, calculated on the basis of a 360-day year of twelve 30-day months, from the later of the Delivery Date, specified above, or the most recent interest payment date to which interest has been paid or duly provided for. Interest on this Bond is payable semi-annually by check beginning March 1, 2027, and continuing each September 1 and March 1 thereafter through maturity, mailed to the Owner of record as shown on the register kept by the Paying Agent/Registrar (the "Register"), as of the Record Date (hereinafter defined), or in such other manner as may be acceptable to the Owner and the Paying Agent/Registrar. The date for determining the person to whom interest is payable on any interest payment date (the "Record Date") is the fifteenth day of the month next preceding a scheduled payment. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new Record Date for such payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment thereof have been received from the County. Notice of the Special Record Date and of the scheduled payment date of the past due payment (the "Special Payment Date", which shall be 15 calendar days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of the Owner appearing on the Register at the close of business on the last business day next preceding the date of mailing of such notice. The County covenants with the Owner that no later than each principal installment payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due, in the manner set forth in the order authorizing the issuance of the Bonds adopted by the Commissioners Court of the County on May 19, 2026 (the "Order").

THIS BOND is one of a series of Bonds dated as of the Dated Date specified above of like designation, date, and tenor, except as to number, interest rate, denomination, and maturity, issued pursuant to the Order in the original aggregate principal amount of \$7,000,000 for the purpose of (1) providing funds for permanent public improvements, including designing, acquiring, constructing, improving, and maintaining roads, bridges, and highways within Brazos County, including the acquisition of land and rights-of-way therefor; and (2) the payment of contractual obligations for professional services in connection with such projects (including, but not limited to, financial advisory, legal, architectural, and engineering).

THE BONDS are issued pursuant to the Order, whereunder the Commissioners Court of the County covenants to levy a continuing, direct, annual ad valorem tax on taxable property within the County, within the limits prescribed by law, for each year while any part of the Bonds are considered outstanding under the provisions of the Order, in a sufficient amount to pay interest on each Bond as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due, and to pay the expenses of assessing and collecting such tax. Reference is hereby made to the Order for provisions with respect to the custody and application of the County's funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Owner. By acceptance of this Bond, the Owner consents to all of the provisions of the Order, a certified copy of which is on file in the office of the County Clerk.

THE COUNTY RESERVES THE RIGHT to redeem the Bonds having stated maturities on or after September 1, 2037, in whole or in part, on September 1, 2036 or on any date thereafter. Such optional redemption shall be at a redemption price of par plus accrued interest on the principal amounts called for redemption to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the particular Bonds to be redeemed shall be selected by the County in integral multiples of \$5,000 within any one maturity.

AT LEAST 45 DAYS PRIOR to the date fixed for any redemption of Bonds or portions thereof prior to maturity, a written notice of such redemption shall be given by the County to the Paying

Agent/Registrar, and the Paying Agent/Registrar shall send a copy of such notice at least 30 days prior to the date fixed for redemption by United States mail, first class, postage prepaid, addressed to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Register at the close of business on the business day next preceding the date of mailing such notice; provided, however, that any notice of redemption so mailed will be conclusively presumed to have been duly given, irrespective of whether one or more Owners failed to receive such notice or any defect in such notice. When Bonds or portions thereof have been called for redemption, and due provision has been made to redeem the same, the principal amounts so redeemed shall be payable solely from the funds provided for redemption, interest which would otherwise accrue on the amounts called for redemption shall terminate on the date fixed for redemption, and redeemed Bonds shall no longer be regarded as outstanding except for the right of the Owner or Owners thereof to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment.

WITH RESPECT TO OPTIONAL REDEMPTION of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the notice of redemption may state that the County may condition redemption on the receipt by the Paying Agent/Registrar of such funds on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the County shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, a Sunday, a legal holiday, or a day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND IS TRANSFERABLE OR EXCHANGEABLE only upon presentation and surrender at the designated payment office of the Paying Agent/Registrar. If this Bond is being transferred, it shall be duly endorsed for transfer or accompanied by an assignment duly executed by the Owner, or his authorized representative, subject to the terms and conditions of the Order. If this Bond is being exchanged, it shall be in the principal amount of \$5,000 or any integral multiple thereof, subject to the terms and conditions of the Order. The Owner of this Bond shall be deemed and treated by the County and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the County and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the County, resigns, or otherwise ceases to act as such, the County has covenanted in the Order that it promptly will appoint a competent and legally qualified substitute therefor and cause written notice thereof to be mailed to the Owners.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the County have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct, annual ad valorem tax upon

all taxable property within the County, within the limit prescribed by law, and that issuance of the Bonds does not exceed any constitutional or statutory limitation.

BY BECOMING the Owner of this Bond, the Owner thereby acknowledges all of the terms and provisions of the Order, agrees to be bound by such terms and provisions, and agrees that the terms and provisions of this Bond and the Order constitute a contract between each Owner and the County.

IN WITNESS WHEREOF, this Bond has been signed with the manual or facsimile signature of the County Judge of the County and countersigned with the manual or facsimile signature of the County Clerk of the County, and the official seal of the County has been duly impressed, or placed in facsimile, on this Bond.

The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the County and shall be used only for paying the interest on and principal of the Bonds. The accrued interest received upon the initial delivery of the Bonds, and the net proceeds of all ad valorem taxes levied and collected for and on account of the Bonds, shall be deposited, as collected, to the credit of the Interest and Sinking Fund.

During each year while any of the Bonds or interest thereon are outstanding and unpaid, the Commissioners Court shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due and to provide and maintain a sinking fund adequate to pay the principal thereof as such principal matures (but never less than 2% of the original principal amount of the Bonds as a sinking fund each year); and the tax shall be based on the County’s latest approved tax rolls, with full allowances being made for tax delinquencies and the cost of tax collection. The rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the County for each year while any of the Bonds or interest thereon are outstanding and unpaid, and the tax shall be assessed and collected each year and deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds, as such interest comes due and such principal matures, are hereby pledged irrevocably for such payment, within the limit prescribed by law.

(b) Construction Fund. The “Brazos County, Texas General Obligation Bonds, Series 2026 Construction Fund” (the “Construction Fund”) is hereby created and shall be established and maintained by the County at an official depository bank of the County. The Construction Fund is the fund into which the proceeds of the Bonds that remain after making the deposits identified in subsection (a) above shall be deposited and used to accomplish the primary purpose for which the Bonds are issued. Money in the Construction Fund shall be used to pay the costs necessary or appropriate to accomplish the purposes for which the Bonds are issued.

Section 6. Investments and Security. (a) Investment of Funds. The County may place money in any fund created by this Order in time or demand deposits or invest such money as authorized by law at

the time of such deposit; provided, however, that the County hereby covenants that the proceeds of the sale of the Bonds will be used as soon as practicable for the purposes for which the Bonds are issued. Obligations purchased as an investment of money in a fund shall be deemed to be a part of such fund.

(b) Amounts Received from Investments. Except as otherwise provided by law, amounts received from the investment of the Construction Fund may be retained in such fund or deposited to the Interest and Sinking Fund as determined by the Commissioners Court. Any amounts received from the investment of the Interest and Sinking Fund shall be deposited in the Interest and Sinking Fund.

(c) Security for Funds. All funds created by this Order shall be secured in the manner and to the fullest extent required by law for the security of funds of the County.

(d) Remaining Funds. Any money remaining after the purposes for which the Bonds have been accomplished shall be deposited in the Interest and Sinking Fund and the Construction Fund shall then be closed.

Section 7. Covenants of the County. (a) General Covenants. The County covenants and represents that:

(i) the County is a duly created county, operating and existing under the laws of the State, and is duly authorized under the laws of the State to create and issue the Bonds, all action on its part for the creation and issuance of the Bonds has been duly and effectively taken, and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the County in accordance with their terms; and

(ii) the Bonds shall be ratably secured in such manner that no one Bond shall have preference over other Bonds.

(b) Specific Covenants. The County covenants and represents that, while the Bonds are outstanding and unpaid, it will:

(i) proceed to acquire and construct with all due diligence and dispatch so much of the projects as shall have been financed with the proceeds of the Bonds; and

(ii) levy an ad valorem tax, within the limits prescribed by law, that will be sufficient to provide funds to pay the current interest on the Bonds and to provide the necessary sinking fund, as described in this Order.

(c) Covenants Regarding Tax Matters. The County covenants to take any action to maintain, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in "gross income" for federal income tax purposes. In furtherance thereof, the County specifically covenants as follows:

(i) to refrain from taking any action which would result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(ii) to take any action to assure that no more than 10% of the proceeds of the Bonds or the projects financed therewith are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10% of the proceeds or the projects financed therewith are so used, that amounts, whether or not received by the County with respect to such private

business use, do not under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10% of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(iii) to take any action to assure that in the event that the “private business use” described in paragraph (ii) hereof exceeds 5% of the proceeds of the Bonds or the projects financed therewith, then the amount in excess of 5% is used for a “private business use” which is “related” and not “disproportionate”, within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iv) to take any action to assure that no amount which is greater than the lesser of \$5,000,000 or 5% of the proceeds of the Bonds is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(v) to refrain from taking any action which would result in the Bonds being “federally guaranteed” within the meaning of section 149(b) of the Code;

(vi) except to the extent permitted by section 148 of the Code and the regulations and rulings thereunder, to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds;

(vii) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(viii) except to the extent otherwise provided in section 148(f) of the Code and the regulations and rulings thereunder, to pay to the United States of America at least once during each five year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90% of the “Excess Earnings”, within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100% of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(ix) to maintain such records as will enable the County to fulfill its responsibilities under this subsection and sections 141 and 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Bonds; and

(x) to comply with the information reporting requirements of section 149(e) of the Code.

For the purposes of the foregoing, in the case of a refunding obligation, the term “proceeds” includes transferred proceeds and, for purposes of paragraphs (ii) and (iii), proceeds of the refunded obligations

The covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the County will not be required to comply with any covenant contained herein to

the extent that such modification or expansion, in the opinion of nationally-recognized bond counsel, will not adversely affect the exclusion from gross income of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the County agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code.

Proper officers of the County charged with the responsibility of issuing the Bonds are hereby authorized and directed to execute any documents, certificates, or reports required by the Code and to make such elections, on behalf of the County, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

Notwithstanding any other provision in this Order, to the extent necessary to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code, the covenants contained in this subsection shall survive the later of the defeasance or discharge of the Bonds.

(d) Covenants Regarding Sale, Lease, or Disposition of Financed Property. The County covenants that it will regulate the use of the property financed, directly or indirectly, with the proceeds of the Bonds and will not sell, lease, or otherwise dispose of such property unless (i) the County takes the remedial measures as may be required by the Code and the regulations and rulings thereunder in order to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code or (ii) the County seeks the advice of nationally-recognized bond counsel with respect to such sale, lease, or other disposition.

Section 8. Paying Agent/Registrar. The Paying Agent/Registrar is hereby appointed as paying agent and registrar for the Bonds and the County is hereby authorized to enter into any type of agreement necessary for the Paying Agent/Registrar to perform its duties hereunder. The principal of the Bonds shall be payable, without exchange or collection charges, in any coin or currency of the United States of America, which, on the date of payment, is legal tender for the payment of debts due the United States of America, upon their presentation and surrender as they respectively become due and payable, whether at maturity or by prior redemption, at the designated payment office of the Paying Agent/Registrar. The interest on each Bond shall be payable by check payable on the Interest Payment Date mailed by the Paying Agent/Registrar on or before each Interest Payment Date to the Owner of record as of the Record Date, to the address of such Owner as shown on the Register, or in such other manner as may be acceptable to the Owner and the Paying Agent/Registrar.

The County, the Paying Agent/Registrar, and any other person may treat the person in whose name any Bond is registered on the Register as the absolute Owner of such Bond for the purpose of making and receiving payment of the principal thereof and for the further purpose of making and receiving payment of the interest thereon and for all other purposes, whether or not such Bond is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Bond in accordance with this Order shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

So long as any Bonds remain outstanding, the Paying Agent/Registrar shall keep the Register at its designated corporate trust office in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Order.

The County may at any time and from time to time appoint another Paying Agent/Registrar in substitution for the previous Paying Agent/Registrar; provided, however, that any such Paying Agent/Registrar shall be a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, and a transfer agent registered with the United States Securities and Exchange Commission. Any bank or trust company with or into which any Paying Agent/Registrar may be merged or consolidated, or to which the assets and business of any Paying Agent/Registrar may be sold or otherwise transferred, shall be deemed the successor of such Paying Agent/Registrar for the purposes of this Order.

The County Judge and the County Clerk, respectively, are hereby authorized to enter into, execute, and deliver the Paying Agent/Registrar Agreement with the initial Paying Agent/Registrar in substantially the form attached hereto as Exhibit "A".

Section 9. Initial Bond; Exchange or Transfer of Bonds. Initially, one Bond (the "Initial Bond"), numbered I-1 as described in Section 3 of this Order and representing the entire principal amount of the Bonds, shall be registered in the name of _____ and shall be executed and submitted to the Attorney General for approval, and thereupon certified by the Comptroller or his duly authorized agent, by manual signature, and the Initial Bond shall be effective and valid without the Authentication Bond being signed by the Paying Agent/Registrar. At any time thereafter, the Initial Purchaser may deliver the Initial Bond to the Paying Agent/Registrar for exchange, accompanied by instructions from the Initial Purchaser designating the persons, maturities, and principal amounts to and in which the Initial Bond is to be transferred and the addresses of such persons, and the Paying Agent/Registrar shall thereupon, within not more than three days, register and deliver such Bonds as provided in such instructions.

Each Bond shall be transferable only upon the presentation and surrender thereof at the designated payment office of the Paying Agent/Registrar, duly endorsed for transfer, or accompanied by an assignment duly executed by the Owner or his authorized representative in form satisfactory to the Paying Agent/Registrar. Upon presentation of any Bond for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, to the extent possible and under reasonable circumstances within three business days after such presentation, a new Bond or Bonds, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the designated payment office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination, in an aggregate principal amount equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with this Order and each Bond so delivered shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The County or the Paying Agent/Registrar may require the Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the County.

Section 10. Book-Entry-Only System. (a) The definitive Bonds shall be initially issued in the name of Cede & Co., as nominee of DTC, as Registered Owner of the Bonds, and held in custody of

DTC. A single bond will be issued and delivered to DTC for each maturity of the Bonds. Beneficial owners of definitive Bonds will not receive physical delivery of Bonds except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other person purchasing, selling, or otherwise transferring beneficial ownership of Bonds is to receive, hold, or deliver any Bonds. No person shall acquire or hold any beneficial interest in any Bond representing a portion of the principal amount of such Bond which is other than \$5,000 or an integral multiple thereof.

(b) Replacement definitive Bonds may be issued directly to beneficial owners of Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the County and the Paying Agent/Registrar); or (ii) the County has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Bonds) that DTC is incapable of discharging its duties as securities depository for the Bonds; or (iii) the County has determined (which determination is conclusive as to DTC and the beneficial owners of the Bonds) that the interests of the beneficial owners of the Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above, the County shall use its best efforts to attempt to locate another qualified securities depository. If the County fails to locate another qualified securities depository to replace DTC, the County shall cause to be executed, authenticated, and delivered replacement Bonds, in certificate form, to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the County. In the event that the County makes the determination described in (iii) above and has made provisions to notify the beneficial owners of Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Bonds in certificate form to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the County. The County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the County to make any determination described in (ii) or (iii) above.

(c) Whenever, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Order of holding, delivering, or transferring Bonds shall be deemed modified to require the appropriate person or entity to meet the requirement of DTC as to registering or transferring the book entry to produce the same effect.

(d) If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

Section 11. County Officers' Duties. (a) Issuance of Bonds. The County Judge shall submit the Initial Bond, the record of the proceedings authorizing the issuance of the Bonds, and any and all other necessary orders, certificates, and records to the Attorney General for his investigation. After obtaining the approval of the Attorney General, the County Judge shall cause the Initial Bond to be registered by the Comptroller. The officers or acting officers of the County are authorized to execute and deliver on behalf of the County such certificates and instruments as may be necessary or appropriate prior to delivery of and payment for the Bonds to and by the Initial Purchasers.

(b) Execution of Order. The County Judge and the County Clerk, respectively, are authorized to execute the certificate to which this Order is attached on behalf of the County and to do any and all things proper and necessary to carry out the intent thereof.

Section 12. Remedies of Owners. In addition to all rights and remedies of any Owner provided by the laws of the State, the County covenants and agrees that in the event the County defaults

in the payment of the principal of or interest on any of the Bonds when due, fails to make the payments required by this Order to be made into the Interest and Sinking Fund, or defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Order, any Owner shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the County and other officers of the County to observe and perform any covenant, obligation, or condition prescribed in this Order. No delay or omission by any Owner to exercise any right or power accruing to such Owner upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to any Owner of any of the Bonds and shall be cumulative of all other existing remedies.

Section 13. Lost, Stolen, Destroyed, Damaged, or Mutilated Bonds; Destruction of Paid Bonds. (a) Replacement Bonds. In the event any outstanding Bond shall become lost, stolen, destroyed, damaged, or mutilated, at the request of the Owner thereof, the County shall cause to be executed, registered by the Paying Agent/Registrar, and delivered a substitute Bond of like date and tenor, in exchange and substitution for and upon cancellation of such mutilated or damaged Bond, or in lieu of and substitution for such Bond lost, stolen, or destroyed, subject to the provisions of subsections (b), (c), (d), and (e) of this Section appearing below.

(b) Application and Indemnity. Application for exchange and substitution of lost, stolen, destroyed, damaged, or mutilated Bonds shall be made to the County. In every case the applicant for a substitute Bond shall furnish to the County such deposit for fees and costs as may be required by the County to save it and the Paying Agent/Registrar harmless from liability. Except as hereinafter provided, in every case of loss, theft, mutilation, or destruction of a Bond, the applicant shall also furnish to the County indemnity to the County's satisfaction and shall file with the County evidence to the County's satisfaction of the loss, theft, mutilation, or destruction and of the ownership of such Bond. In every case of damage or mutilation of a Bond, the applicant shall surrender the Bond so damaged or mutilated to the Paying Agent/Registrar.

(c) Matured Bonds. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred in payment of the principal of or interest on the Bonds which is then continuing, the County may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a substitute Bond, if any, provided security or indemnity is furnished as above provided in this Section.

(d) Expenses of Issuance. Upon the issuance of any substitute Bond, the County may charge the Owner of such Bond with all fees and costs incurred in connection therewith. Every substitute Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, destroyed, damaged, or mutilated shall constitute a contractual obligation of the County, whether or not the lost, stolen, destroyed, damaged, or mutilated Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority to Issue Substitute Bonds. This Order shall constitute sufficient authority for the issuance of any such substitute Bond without necessity of further action by the County or any other body or person, and the issuance of such substitute Bonds is hereby authorized, notwithstanding any other provisions of this Order.

(f) Destruction of Paid Bonds. At any time subsequent to the payment thereof, the Paying Agent/Registrar is authorized to cancel and destroy any Bonds duly paid, and promptly after any such

destruction, the Paying Agent/Registrar shall furnish to the County a certificate evidencing such destruction.

Section 14. Redemption. The Bonds are subject to optional redemption as described in the “Form of Bonds” appearing in Section 3 of this Order.

Section 15. Defeasance. (a) Except to the extent provided in subsection (c) of this Section, any Bond, and the interest thereon, shall be deemed to be paid, retired, and no longer outstanding within the meaning of this Order (a “Defeased Bond”) when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to a person described by Section 1207.061, Texas Government Code (a “Depository”), with respect to the safekeeping, investment, administration, and disposition of a deposit made under Section 1207.061, Texas Government Code, for such payment (the “Deposit”) (A) lawful money of the United States of America sufficient to make such payment and/or (B) Governmental Obligations, which may be in book-entry form, that mature and bear interest payable at times and in amounts sufficient to provide for the scheduled payment or redemption of any Defeased Bond. To cause a Bond scheduled to be paid or redeemed on a date later than the next scheduled interest payment date on such Bond to become a Defeased Bond, the County must, with respect to the Deposit, enter into an escrow or similar agreement with a Depository.

In connection with any defeasance of the Bonds, the County shall cause to be delivered: (i) in the event an escrow or similar agreement has been entered into with a Depository to effectuate such defeasance, a report of an independent firm of nationally recognized certified public accountants verifying the sufficiency of the escrow established to pay the Defeased Bonds in full on the maturity or redemption date thereof (the “Verification”); or (ii) in the event no escrow or similar agreement has been entered into, a certificate from the County’s financial advisor or a qualified financial professional of the County certifying that the amount deposited with a Depository is sufficient to pay the Defeased Bonds in full on the maturity or redemption date thereof. In addition to the required Verification or certificate, the County shall also cause to be delivered an opinion of nationally-recognized bond counsel to the effect that the Defeased Bonds are no longer outstanding pursuant to the terms hereof and a certificate of discharge of the Paying Agent/Registrar with respect to the Defeased Bonds. The Verification, if any, and each certificate and opinion required hereunder shall be acceptable in form and substance, and addressed, if applicable, to the Paying Agent/Registrar and the County. The Bonds shall remain outstanding hereunder unless and until they are in fact paid and retired or the above criteria are met.

At such time as a Bond shall be deemed to be a Defeased Bond hereunder, and all herein required criteria have been met, such Bond and the interest thereon shall no longer be outstanding or unpaid and shall no longer be entitled to the benefits of the pledge of the security interest granted under this Order, and such principal and interest shall be payable solely from the Deposit of money or Governmental Obligations; provided, however, the County may exercise the right to redeem a Defeased Bond if it has reserved the option to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the County: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the Owners immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of reservation be included in any redemption notices that it authorizes.

(b) Any money so deposited with a Depository may at the written direction of the County also be invested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Governmental Obligations received by a Depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be used as directed in writing by the County.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the County shall make proper arrangements to provide and pay for such services as required by this Order.

Section 16. Order a Contract; Amendments. This Order shall constitute a contract with the Owners, from time to time, of the Bonds, binding on the County and its successors and assigns, and shall not be amended or repealed by the County as long as any Bond remains outstanding except as permitted in this Section. The County may, without the consent of or notice to any Owners, amend, change, or modify this Order as may be required (i) by the provisions hereof, (ii) for the purpose of curing any ambiguity, inconsistency, or formal defect or omission herein, or (iii) in connection with any other change which is not to the prejudice of the Owners. The County may, with the written consent of the Owners of a majority in aggregate principal amount of Bonds then outstanding affected thereby, amend, change, modify, or rescind any provisions of this Order; provided, however, that without the consent of all of the Owners of the Bonds affected, no such amendment, change, modification, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount or redemption price thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on bonds or certificates on a parity with the lien of the Bonds, (ii) give any preference of any Bond over any other Bond, (iii) extend any waiver of default to subsequent defaults, or (iv) reduce the aggregate principal amount of Bonds required for consent to any such amendment, change, modification, or rescission. In the event the County desires to make any amendment or addition to or rescission of this Order requiring consent of the Owners of the Bonds, the County shall cause notice of the amendment, addition, or rescission to be given at least 30 days prior to the scheduled effective date of such action, said notice to be sent by United States mail, first-class postage prepaid, to the Owners of the Bonds at the addresses appearing on the Register at the close of business on the business day next preceding the date of mailing of such notice. Any notice so mailed will be conclusively presumed to have been duly given, irrespective of whether one or more Owners failed to receive such notice or any defect in such notice. When, at any time within one year after the date of the giving of such notice, the County receives an instrument or instruments in writing executed by the appropriate number of Owners of the Bonds then outstanding affected by any such amendment, addition, or rescission requiring the consent of Owners of the Bonds, which instrument or instruments refer to the proposed amendment, addition, or rescission described in such notice and specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the County may adopt such amendment, addition, or rescission in substantially such form, except as herein provided. No Owner of the Bonds may thereafter object to the adoption of such amendment, addition, or rescission, or to any of the provisions thereof, and such amendment, addition, or rescission shall be fully effective for all purposes.

Section 17. Sale and Delivery of Bonds. (a) Sale. The sale of the Bonds to the Initial Purchaser, pursuant to the taking of competitive sealed bids at a price of \$_____ (_____% of par), is hereby confirmed. The County, upon consultation with the County's financial advisor, hereby finds that the terms of the sale are in the County's best interest. It is hereby officially found, determined, and declared that the Initial Purchaser submitted the bid which results in the lowest net effective interest rate

to the County and delivery of the Bonds to the Initial Purchaser shall be made as soon as practicable after the adoption of this Order, upon payment therefor, in accordance with the terms of sale. The Initial Bond shall be registered in the name of the Initial Purchaser. The officers of the County are hereby authorized and directed to execute and deliver such certificates, instructions, or other instruments as are required or necessary to accomplish the purposes of this Order.

(b) Approval of Official Statement. The County hereby approves the form and content of the Official Statement relating to the Bonds and any addenda, supplement, or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Bonds by the Initial Purchaser in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The form and content of and the distribution and use of the Preliminary Official Statement relating to the Bonds, dated May 11, 2026 (the “Preliminary Official Statement”), prior to the date hereof, is hereby ratified and confirmed. The County hereby finds and determines that the Preliminary Official Statement is “deemed final” as that term is defined in the Rule.

Section 18. Use of Proceeds. The proceeds from the sale of the Bonds shall be used in the following manner: (i) \$ _____ shall be deposited to the credit of the Construction Fund to be used to accomplish the purposes for which the Bonds were issued; and (ii) the balance of the proceeds shall be used to pay the cost of issuing the Bonds.

Section 19. Continuing Disclosure. (a) Annual Reports. The County shall provide annually to the Municipal Securities Rulemaking Board (the “MSRB”) pursuant to its Electronic Municipal Market Access System (“EMMA”), within six months after the end of each fiscal year ending in or after 2026, the financial information and operating data with respect to the County described in Exhibit “B” hereto with respect to such fiscal year or the 12-month period then ended. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in “APPENDIX A” attached to the Official Statement or such other accounting principles as the County may be required to employ from time to time pursuant to state law or regulation and (ii) audited, if the County commissions an audit and the audit is completed by the required time; provided, however, that if audited financial statements are not available by the required time, the County shall provide unaudited financial statements by the required time and the County shall provide audited financial statements when and if the audited financial statements become available.

The County’s current fiscal year end is September 30. Accordingly, it must provide updated information by the last day of March in each year, unless the County changes its fiscal year. If the County changes its fiscal year, it will notify the MSRB of the change.

(b) Notice of Certain Events. The County will file with the MSRB notice of any of the following events with respect to the Bonds in a timely manner (and not more than 10 business days after occurrence of the event): (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership, or similar event of the County, which shall occur as described below; (13) the

consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if material; (15) incurrence of a debt obligation or a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation of the County, or a guarantee of any such debt obligation or derivative instrument, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of any such financial obligation of the County, any of which affect security holders, if material; and (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any such financial obligation of the County, any of which reflect financial difficulties.

For these purposes, any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur; the appointment of a receiver, fiscal agent, or similar officer for the County in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County. The County intends the words used in clauses (15) and (16) and the definition of financial obligation in this section to have the meanings ascribed to them in the Securities and Exchange Commission (the "SEC") Release No. 34-83885, dated August 20, 2018. In addition, the County will provide timely notice of any failure by the County to provide information, data, or financial statements in accordance with its agreement described above under subsection (a).

The provisions of this Section are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The County undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the County's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The County does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COUNTY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COUNTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the County in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provisions of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the County under federal and state securities laws.

The provisions of this Section may be amended, supplemented, or repealed by the County from time to time under the following circumstances, but not otherwise: (a) to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the County, if the provisions of this Section, as so amended, supplemented or repealed, would have permitted an underwriter to purchase or sell Bonds in the offering described herein in compliance with the Rule and either the Owners of a majority in aggregate principal amount of the outstanding Bonds consent to such amendment, supplement, or repeal, or any person unaffiliated with the County (such as nationally-recognized bond counsel) determines that such amendment, supplement, or repeal will not materially impair the interests of the beneficial owners of the Bonds; (b) upon amendment or repeal of the applicable provisions of the Rule, or any determination by a court of final jurisdiction that such provisions are invalid; or (c) in any other circumstance or manner, but in either case only to the extent that its right to do so would not have prevented an underwriter from purchasing the Bonds in the offering described herein in compliance with the Rule. If the County amends, supplements, or repeals any of the provisions of this Section, the County must include, with its next financial information and operating data update described above in subsection (a), an explanation, in narrative form, of the reasons for the amendment, supplement, or repeal and of the impact of any change in the type of information and operating data so provided.

Section 20. Perfection of Security Interest. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the proceeds of ad valorem taxes and certain revenues of the Center thereto granted by the County under Section 5(a) of this Order, and such aforementioned pledge is, therefore, valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the ad valorem tax proceeds or such revenues is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the Owners a security interest in such pledge, the County agrees to take such measures as it determines are reasonable and necessary to enable a filing of a security interest in said pledge to occur.

Section 21. Further Procedures. The County Judge and the County Clerk, and all other officers, employees, attorneys, and agents of the County and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the seal and on behalf of the County, all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the Bonds, the Paying Agent/Registrar Agreement, and the Official Statement. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. Prior to the initial delivery of the Bonds, the County Judge, the County Clerk, and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Order or to any of the instruments authorized by this Order necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Order, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Attorney General's office.

Section 22. Attorney General Examination Fee. The County recognizes that under Section 1202.004, Texas Government Code, the Attorney General requires a nonrefundable examination fee be

paid at the time of submission of the transcript of proceedings authorizing the Bonds and that, based upon the principal amount of the Bonds, such fee is \$9,500.00. Bond Counsel is accommodating the County by paying such fee upon submission of such transcript. Officials of the County are, however, hereby authorized to reimburse Bond Counsel such amount as soon as possible and whether or not the Bonds are ever delivered and such amount is hereby appropriated from available funds for such purpose. The County is also authorized to reimburse the fund used for such payment with proceeds of the Bonds.

Section 23. Other Documents. The County Judge and the County Clerk are hereby authorized to execute and attest to such other documents, certificates, letters of instruction, tax information forms, and other agreements of any kind which, in the opinion of Bond Counsel, are necessary or advisable in order to issue the Bonds and verify that the interest on the Bonds will be exempt from gross income of the holders thereof under current federal tax law.

Section 24. Successor Registrar, Successor Paying Agent. The County covenants with the Owners that prior to the time all of the Bonds have been finally retired, the County will provide competent and legally qualified persons to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order. The County reserves the right to, and may, at its option, change the Paying Agent/ Registrar with respect to the Bonds upon not less than 60 days written notice to the Paying Agent/Registrar. Any Paying Agent/Registrar may resign and be discharged of its respective duties under this Order by written resignation filed with the County not less than 60 days before the date such resignation is to take effect. In the event that the person at any time acting as a Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the County covenants that promptly it will appoint a competent and legally qualified national or state banking institution organized and doing business under the laws of the United States of America or the State, authorized under such laws to exercise trust powers, subject to supervision or examination by federal or state authority, to act as such Paying Agent/Registrar, under this Order. Upon any change in a Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Register (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the County. Upon any change in the Paying Agent/Registrar, the County promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each Owner, by United States mail, first-class, postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order, and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

Section 25. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof or interest thereon, if applicable, becomes due, either at maturity or otherwise, or if any check or draft representing payment of principal of or interest on the Bonds shall not be presented for payment, if funds sufficient to pay the principal of or interest on such Bond shall have been made available by the County to the Paying Agent/Registrar for the benefit of the Owner thereof, all liability of the County to the Owner thereof for the payment of the principal of or interest on such Bond shall cease, terminate, and be completely discharged, and thereupon it shall be the duty of the Paying Agent/Registrar to hold such funds in trust, uninvested and without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Order with respect to the principal of or interest on such Bond. To the extent applicable, the Paying Agent/Registrar shall hold and apply any such funds in accordance with Title 6, Texas Property Code, and shall comply with the reporting requirements of Chapter 74, Texas Property Code.

Section 26. Miscellaneous Provisions. (a) General. Except where the context otherwise requires, words importing the singular number shall include the plural number and vice versa; words importing the masculine gender shall include the feminine and neuter genders and vice versa. Reference to any document means that document as amended or supplemented from time to time. Reference to any party to a document means that party and its successors and assigns. Reference herein to any article, section, subsection, or other subdivision, as applicable, unless specifically stated otherwise, means the article, section, subsection, or other subdivision, as applicable, of this Order.

(b) Titles Not Restrictive. The titles assigned to the various sections of this Order are for convenience only and shall not be considered restrictive of the subject matter of any section or of any part of this Order.

(c) Inconsistent Provisions. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed and declared to be inapplicable, and the provisions of this Order shall be and remain controlling as to the matters prescribed herein.

(d) Severability. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order shall nevertheless be valid and the County hereby declares that this Order would have been enacted without such invalid word, phrase, clause, paragraph, sentence, part, portion, or provision.

(e) Governing Law. This Order shall be construed and enforced in accordance with the laws of the State.

(f) Open Meeting. The County officially finds and determines the meeting at which this Order is adopted was open to the public and that public notice of the time, place, and purpose of such meeting was given, all as required by Chapter 551, Texas Government Code.

(g) Immediate Effect. Notwithstanding any charter provision or other applicable laws, this Order shall be immediately effective upon its adoption by the Commissioners Court.

Section 3.02. Payment Dates. The County hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Order.

ARTICLE IV. REGISTRAR

Section 4.01. Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the County the Security Register at the Bank Office for recording the names and addresses of the Owners of the Securities, the transfer, exchange, and replacement of the Securities, and the payment of the principal of and interest on the Securities to the Owners and containing such other information as may be reasonably required by the County and subject to such reasonable regulations as the County and the Bank may prescribe. All transfers, exchanges, and replacement of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, in form satisfactory to the Bank, duly executed by the Owner thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer, or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Owners thereof will be completed and new Securities delivered to the Owner or the assignee of the Owner in not more than three business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Owner, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02. Certificates. The County shall provide an adequate inventory of printed Security certificates to facilitate transfers or exchanges thereof. The Bank covenants that the inventory of printed

Security certificates will be kept in safekeeping pending their use, and reasonable care will be exercised by the Bank in maintaining such certificates in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other political subdivisions or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03. Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer, and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04. List of Owners. The Bank will provide the County at any time requested by the County, upon payment of the required fee, a copy of the information contained in the Security Register. Unless required by law, the Bank will not release or disclose the contents of the Security Register to any Person other than to, or at the written request of, an authorized officer or employee of the County, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the County so that the County may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05. Return of Cancelled Certificates. The Bank will, at such reasonable intervals as it determines, surrender to the County, Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06. Mutilated, Destroyed, Lost, or Stolen Securities. The County hereby instructs the Bank, subject to the applicable provisions of the Order, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an over issuance.

In case any Security shall be mutilated, or destroyed, lost, or stolen, the Bank, in its discretion, may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such destroyed, lost, or stolen Security, only after (i) the filing by the Owner thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss, or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the County and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution, and delivery of a replacement Security shall be borne by the Owner of the Security mutilated, or destroyed, lost, or stolen.

Section 4.07. Transaction Information to County. The Bank will, within a reasonable time after receipt of written request from the County, furnish the County information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

- (a) the Redemption Date;
- (b) the price of the Securities expressed as a percentage of par amount of the Securities;
- (c) the principal amount of Securities to be redeemed, and, if less than all outstanding Securities are to be redeemed, the identification (and, in case of partial redemption, the principal amounts) of the Securities to be redeemed;
- (d) that on the Redemption Date the principal of each of the Securities to be redeemed will become due and payable and that the interest thereon shall cease to accrue from and after said date; and
- (e) that the Securities to be redeemed are to be surrendered for payment of the price stated in the notice of redemption at the Bank Principal Payment Office, and the address of such office.

The Bank shall, at the expense of the Issuer, provide notice to designated securities depositories and information services based upon the current guidelines of the Securities and Exchange Commission relating to redemptions and refundings of municipal bonds, including the Securities. The Bank, at the expense of the County, shall also provide notice to any other addressees as the County shall designate in writing.

ARTICLE V. THE BANK

Section 5.01. Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum approved by the County as prepared by the County's Financial Advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum acknowledged by the Financial Advisor or the County as the final closing memorandum. The Bank shall not be liable for any losses, costs, or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.02. Reliance on Documents, Etc. The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of

any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Owner or an agent of the Owner. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by the County.

The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

Section 5.03. Recitals of County. The recitals contained herein with respect to the County and in the Securities shall be taken as the statements of the County, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the County, any Owner or Owners of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04. May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the County with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05. Money Held by Bank. A special depository account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of money received from the County and held hereunder for the payment of the Securities, and money deposited to the credit of such account until paid to the Owners of the Securities, to the extent permitted by law, shall be continuously collateralized by securities or obligations which qualify and are eligible under the laws of the State of Texas to secure and be pledged as collateral for deposits of public funds by an instrumentality and political subdivision of the State of Texas to the extent that such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such account shall be made by check drawn on such account unless the owner of such Securities shall, at its own expense and risk, request such other medium of payment.

All funds at any time and from time to time provided to or held by the Bank hereunder shall be deemed, construed, and considered for all purposes as being provided to or held by the Bank in trust. The Bank acknowledges, covenants, and represents that it is acting herein in trust in relation to such funds, and is not accepting, holding, administering, or applying such funds as a banking depository, but solely as a paying agent for and on behalf of the Security thereto. The Owners shall be entitled to the same preferred claim and first lien on the funds so provided as are enjoyed by the beneficiaries of trust funds generally. The funds provided to the Bank hereunder shall not be subject to warrants, drafts, or checks drawn by the County and, except as expressly provided herein, shall not be subject to compromise, setoff, or other charge or diminution by the Bank.

The Bank shall be under no liability for interest on any money received by it hereunder.

Subject to the unclaimed property laws of the State of Texas and any provisions in the Order to the contrary, any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be paid by the Bank to the County at the County's election, and the Owner of such Security shall thereafter look only to the County for payment thereof, and all liability of the Bank with respect to such money shall thereupon cease. If the County does not so elect, the Bank is directed to report and dispose of the funds in compliance with Title 6 of the Texas Property Code.

Section 5.06. Indemnification. To the extent permitted by law, the County agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07. Interpleader. The County and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its Person as well as funds on deposit, in either a federal or state district court located in the state and county where the administrative offices of the County are located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The County and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08. Depository Trust Company Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", currently in effect, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Section 5.09. Reporting Requirements of Paying Agent/Registrar. To the extent required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated and pertaining thereto, it shall be the duty of the Paying Agent/Registrar, on behalf of the County, to report to the owners of the Securities and the Internal Revenue Service (i) the amount of "reportable payments", if any, subject to backup withholding during each year and the amount of tax withheld, if any, with respect to payments of the Securities and (ii) the amount of interest or amount treated as interest on the Securities and required to be included in gross income of the owner thereof.

ARTICLE VI. MISCELLANEOUS PROVISIONS

Section 6.01. Amendment. This Agreement may be amended only by an agreement in writing signed by both of the parties hereto.

Section 6.02. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other.

Section 6.03. Notices. Any request, demand, authorization, direction, notice, consent, waiver, or other document provided or permitted hereby to be given or furnished to the County or the Bank shall be

mailed or delivered to the County or the Bank, respectively, at the addresses shown on the signature page of this Agreement. Any party hereto may change the address to which notices are to be delivered by giving to the other party not less than ten days prior notice thereof.

Section 6.04. Effect of Headings. The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

Section 6.05. Successors and Assigns. All covenants and agreements herein made by the parties shall bind their respective successors and assigns, whether so expressed or not.

Section 6.06. Severability. In case any provision herein shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 6.07. Benefits of Agreement. Nothing herein, express or implied, shall give to any Person, other than the parties hereto and their successors and assigns hereunder, any benefit or any legal or equitable right, remedy, or claim hereunder.

Section 6.08. Entire Agreement. This Agreement and the Order constitute the entire agreement between the parties hereto relative to the Bank acting as Paying Agent/Registrar and if any conflict exists between this Agreement and the Order, the Order shall govern.

Section 6.09. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

Section 6.10. Termination. This Agreement (i) will terminate on the date of final payment of the principal of and interest on the Securities to the Owners thereof or (ii) may be earlier terminated by either party upon 60 days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the County and such appointment accepted and (b) notice has been given to the Owners of the Securities of the appointment of a successor Paying Agent/Registrar. Furthermore, the Bank and County mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay, or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the County.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Section 6.11. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Texas.

Section 6.12. Certificate of Interested Party. If applicable, a completed Certificate of Interested Parties Form 1295 (“Form 1295”) generated by the Texas Ethics Commission’s (the “TEC”) electronic filing application in accordance with the provisions of Section 2252.908, Texas Government Code and the rules promulgated by the TEC, was previously submitted to the County by the Paying Agent/Registrar in connection with this Agreement. The County hereby agrees to acknowledge such form with the TEC through its electronic filing application within 30 days of the effective date hereof. The Paying Agent/Registrar and the County understand and agree that, with the exception of information

identifying the County and the contract identification number, neither the County nor its consultants are responsible for the information contained in any Form 1295 and neither the County nor its consultants have verified such information. The Paying Agent/Registrar and the County also agree that the transactions contemplated by this Agreement and the respective obligations of the Paying Agent/Registrar and the County hereunder, shall not be modified, released, or excused by the failure of the Paying Agent/Registrar to properly complete a Form 1295, except as set forth in the following sentence. The submission of any Form 1295 by the Paying Agent/Registrar that does not provide a sufficient basis for the County to enter into this Agreement in accordance with Section 2252.908(d), Texas Government Code, shall result in the automatic dismissal and removal of the Paying Agent/Registrar from its duties and rights hereunder and the Paying Agent/Registrar shall not be considered a party to this Agreement.

Section 6.13. No Israel Boycott. The Bank hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, ‘boycott Israel’ means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Bank understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Bank and exists to make a profit.

Section 6.14. No Terrorist Organization. The Bank represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,

<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or

<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law neither the Bank nor any wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Bank understands “affiliate” to mean any entity that controls, is controlled by, or is under common control with the Bank and exists to make a profit.

Section 6.15. Contract Value. The Bank hereby verifies that this Agreement has a value of less than \$100,000 and that the provisions required by Sections 2271.002 and 2274.002 of the Texas Government Code for contracts having a value of at least \$100,000 are not required in this Agreement.
