Keeping Your Drivers On Course

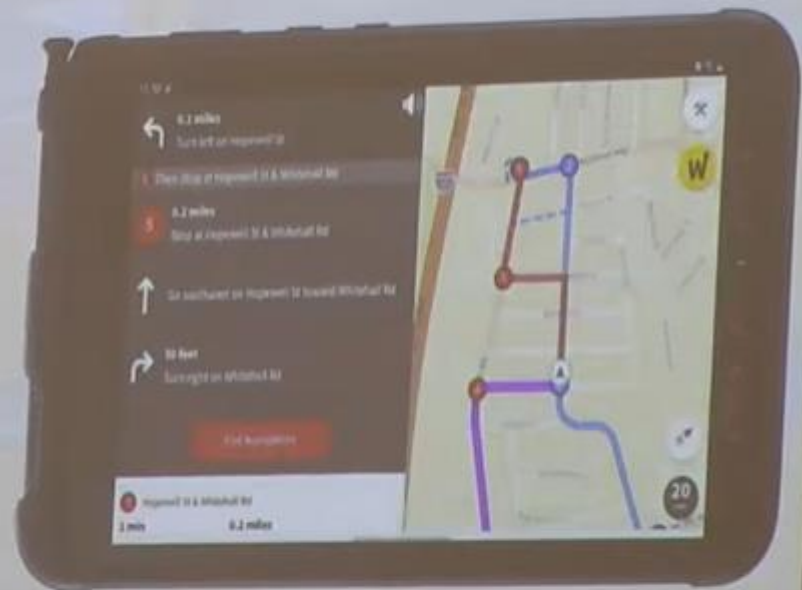

Purpose of Presentation

- **Introduce the Wayfinder tablet system**
- **Explain how the tablets support drivers and student transportation**
- **Discuss benefits for safety, efficiency, and communication**
- **Pilot tablets before considering student ID scanning**

What is Wayfinder?

screen shot from the Bryan ISD YouTube channel

- All-in-one transportation tablet platform
- Turn-by-turn navigation
- Digital route sheets
- Driver communication tools
- Real-time routing updates

Current Transportation Challenges

screen shot from the Bryan ISD YouTube channel

- **Substitute coverage**
- **Paper route sheets become outdated quickly**
- **Communication delays**
- **Difficulty for new drivers learning routes**
- **Need for improved operational efficiency**

What the Tablets Will Do

screen shot from the Bryan ISD YouTube channel

- **Turn-by-turn voice navigation**
- **Digital route information**
- **Real-time route updates**
- **Pre/post trip inspection forms**
- **Student roster visibility**
- **Driver alerts and notifications**

Benefits for Drivers

screen shot from the Bryan ISD YouTube channel

- **Easier navigation for regular and substitute drivers**
- **Reduced stress for new drivers**
- **Less reliance on paper route sheets**
- **Improved communication with transportation staff**
- **No need to use personal phones**

Benefits for Students & Schools

screen shot from Bryan ISD's YouTube channel

- **Improved on-time performance**
- **More accurate route information**
- **Faster response to route adjustments**
- **Better communication during emergencies**
- **Improved accountability and documentation**

Pilot Program Plan

screen shot from Bryan ISD's YouTube channel

- **Pilot a limited number of tablets**
- **Train selected drivers and staff**
- **Gather driver feedback**
- **Monitor operational improvements**
- **No student ID scanning**

Future Possibilities

screen shot from Bryan ISD's YouTube channel

- **Optional student ridership tracking**
- **RFID card scanning**
- **Attendance tracking**
- **Parent notifications**
- **Future consideration only**

Safety & Compliance

screen shot from Bryan ISD's YouTube channel

- **Voice-guided navigation**
- **Dark screen mode while driving**
- **Designed for school transportation**
- **Supports safer route management**
- **Improves operational awareness**
