

**Rural Volunteer Fire Department Assistance Program
Funding Summary - FY 26 Round #4**

The 77th Texas Legislature passed House Bill 2604 in 2001, establishing the Rural Volunteer Fire Department Assistance Program. The program assists volunteer fire departments with the purchase of equipment and training.

The Texas A&M Forest Service conducted the fourth Funding Round for Fiscal Year 2026 on May 15, 2026. During this round, approximately \$29.3 million in grants was awarded to Texas volunteer fire departments.

All departments awarded a grant at this round have received official written notice of approval. Approvals were emailed to each department on May 15, 2026 with application statuses also updated in FireConnect. Follow up notifications will be mailed to non-responding departments on June 1, 2026. Any applications for assistance not approved at this round will automatically roll forward and will be reviewed at future Funding Rounds.

The next Funding Round is tentatively scheduled for **August 2026**.
